**Out with the Kansas Hillbillies** Dorothy Kelley,1999 This book is a selection of Kelley s Out with the Hillbillies newspaper columns These columns are among the best firsthand accounts of Kansas farm life ever written *Growing up Hillbilly Near Branson, Missouri* Betty Perkins White,2016-11-07 The story of Growing Up Hillbilly near Branson Missouri takes place less than ten miles from where the book the Shepherd of The Hills was written and begins during the same year as it was published This book will further enhance your knowledge about the people that chose to call these hills their home

The Lamentations of an Old Hillbilly Gene Ladd,2020-10-20 Gene demonstrates from his own life that while events appear disasterous in faith unseen events are preparing a desirable outcome The book is based on a Bible verse that says once you put your hand to the plow if you look back you are not worth of the kingdom Gene has emerged from every challenge in his life in a blessed place only because of his faith not his own devices **From Grief to Glory** Otto Rieke II,2011-05-25 Cataclysmic events some representing lifes most grievous tragedies have struck Otto Rieke s family Tragedy and grief viewed retrospectively have rendered the subsequent glory of life all the more glorious Life would have been unlivable and this book unreadable were they a mere cosmic pity party After enduring a full circle along the rim of hell on Earth and having survived almost in tact hopefully this book will portray the Riekes ascension to the glory that has been most of the familys and Otto s own precarious existence on planet Earth The author s essentially privileged fulfilling and competitive existence prior to the anguishing events of mid life are narrated fully from birth with a comedic flair and did prepare him for the survival of the really tough stuff The Rieke s did not just endure it all but have thrived and have ascended time and again Life continues as a search for the ultimate Truth and for the Glory that is only Gods to possess completely The family lives to seek its share of that glory It is Otto s hope that this book is fun and non controversial He has attempted to accomplish that by staying on topics about which he claims expertise politics religion and sex If anything he says offends you then you need to either 1 Repent OR 2 Sue him He apologizes only to those who were not offended but who should have been The author further hopes that you take the slight as it was intended and hurt all the more However seriously it is also hoped that this book is as entertaining as the exuberant feeling that its writing experience has given Otto Family is who the Rieke s are Family is the root of our society and the family home is the first and most important school that our children will forever attend Our parents are the first and the most important teachers that our children will forever have Otto s stunning wonderful wife of an earlier twenty five years and of such unpretentious beauty Mary Beth and Otto raised five absolutely beautiful children all of whom have encountered life very successfully They are successful most of all by being good and loving people as well as in all their spiritual academic athletic personal and professional endeavors All of the Rieke children graduated from St Peters Catholic grade school and local high schools Rockhurst St Teresas and Notre Dame de Sion all of which are in Kansas City Mo They and their spouses subsequently have graduated from various universities including

Rockhurst University Central Missouri State University Tulsa University Syracuse University School of Journalism Missouri University Medical School St Louis University The Medical School of Washington University in St Louis Dartmouth College Medical School and finally a post residency Fellow at the Harvard School of Medicine The Rieke children including their respective spouses are blessed beyond what would seem possible all in one family The calamities referred to above and subsequent grief have chronologically seemed to coincide with and maybe have been the genesis of a subsequently inspired inner spiritual strength indeed an almost supernatural strength to survive Persistent strings of well earned successes at all personal levels of character and by all worldly measure might well be rooted in the strength of the Riekes souls to survive The family members have ascended to new lives with the strength to carry on to love and indeed to thrive That and the authors love relationships with them all is the grandeur the glory of this book No names have been changed to protect the innocent there are none Otto has an unparalleled flair to entertain and to tell riveting stories with great passion He will seize your very soul If you can remain calmly seated while reading this book then it is a failure Get ready for the ride **Hillbilly in the Coast Guard** John Crowder, 2011-04 John Crowder was born and raised in Charleston West Virginia He graduated from Stonewall Jackson High School in 1960 and enlisted in the U S Coast Guard for four years He later re enlisted for another six years His experiences during this time helped him discover another world outside the hills of West Virginia After one final personal tragedy in his life he returned to his birthplace and began life anew He is a graduate of West Virginia State University and a retired chemical plant electrician with two adult children and four grandchildren This book was written to tell others how military life can help a young man gain the necessary self confidence to overcome life s obstacles The author describes many of the men he worked with on a daily basis and how humor can be found in all walks of life The writer also gives insight into his personal life as he struggled to support his family Today s Coast Guard is a far cry from those lean years in the 1960 s The other Guardians who read this memoir will recognize the great differences in technologies between then and now Life was different when the author served his ten years active duty as a Coast Guardsman Airconditioned vessels were few and far between Isolated duty tours on LORAN stations and lighthouses were common Many of the enlisted personnel qualified for food stamps but very few would apply Medical care was sparse unless you were stationed near a military installation with those medical facilities or a Public Health Service Hospital Work uniforms for enlisted up to and including E 6 were chambray shirts bell bottomed dungarees and a blue ball cap or white hat Dress uniforms were either dress blues of bell bottomed trousers and a jumper with white piping or a white uniform of the same except no piping and a white hat The author describes a few situations and conditions that give a very small overview of the older Coast Guard In 1960 the Coast Guard was under the U S Treasury Department Later it was moved to the newly formed Department of Transportation Some called this department a wet NASA The orange slash was added to floating units and aircraft about 1968 Now the Guardians are under the umbrella of the Department of Homeland Security But as we all know if war is

declared the CG will go under the good ole U S Navy and the Department of Defense The author was proud to have served as a Guardian and he is proud of you men and women who are now serving Those he has had the pleasure of meeting and serving with in today s Coast Guard are generally more aware of the world situation and are certainly better trained than we were Semper Paratus always ready is what we want to be as one of the armed forces of The United States of America I always pray that God will bless you in your service to keep us safe and free
