Outback Desire Emma Darcy,Carol Marinelli,Margaret Way,2006-01 In Outback Heat governess Cordell might claim she wanted a home on Taylor Maguire's outback cattle station but she would have to prove it In The Outback Nurse Olivia Morrell started her new job in the outback knowing her boss was moody In Outback Fire Storm had declared war on Luke because he was to handle the family empire

His Ring, Her Baby Maxine Sullivan,2010-04-01 The job title was housekeeper not fiancée But billionaire cattleman Kirk Deverill couldn't throw the lovely single mom off his ranch Especially when he knew the job would help her keep her son Of course the eligible bachelor hadn't expected her to tell everyone she was also Kirk's bride to be He agreed to Vanessa's ruse for her adorable son's sake And for the opportunity to claim some husbandly pleasures Of course making their fake engagement a real union was never going to happen The Outback loner had his reasons and even the most desirable of women wouldn't get him to change his mind

Love's Sweet Challenge (A Bindarra Creek Short & Sweet Romance) Suzanne Gilchrist,2020-01-18 Will the pull of family expectations be too strong once the festival is over Or will she choose a different path Yearning to gain her father's love and approval Opal Morse has turned her back on the career of her heart to work in his law firm When she hears about Bindarra Creek's inaugural Scavenger Challenge she can't resist the opportunity of a week spent in a small country town far from the pressures of the city and her on going battle to seek recognition in her father's eyes When another lonely soul Grady Flannigan comes to her aid in helping a donkey in labour the kindness of this gentle farmer re ignites her childhood dreams To her surprise she finds herself strongly attracted to the young farmer and the fantasy of a different life in a small country town blossoms But will family expectations prove too strong Or will Opal take a chance on a new life for herself with Grady

Cultural Sustainability in Rural Communities Catherine Driscoll,Kate Darian-Smith,David Nichols,2017-07-06 There has been a recent expansion of interest in cultural approaches to rural communities and to the economic and social situation of rurality more broadly This interest has been particularly prominent

in Australia in recent years spurring the emergence of an interdisciplinary field called rural cultural studies. This collection is framed by a large interdisciplinary research project that is part of that emergence particularly focused on what the idea of cultural sustainability might mean for understanding experiences of growth decline change and heritage in small Australian country towns. However it extends beyond the initial parameters of that research bringing together a range of senior and emerging Australian researchers who offer diverse approaches to rural culture. The essays collected here explore the diverse forms that rural cultural studies might take and how these intersect with other disciplinary approaches offering a uniquely diverse but also careful account of life in country Australia. Yet in its emphasis on the simultaneous specificity and cross cultural recognisability of rural communities this book also outlines a field of inquiry and a set of critical strategies that are more broadly applicable to thinking about the rural in the early twenty first century. This book will be valuable reading for students and academics of Geography History Literary Studies Cultural Studies Anthropology and Sociology introducing rural cultural studies as a new dynamic and integrative discipline.

Leave Love with Me William Lawton, 2023-09-19
Desire for beauty is at the heart of human existence. Some find this meaning out of their religious or spiritual perspective. Some find it at the edge of their traditions. And others find it outside any recognizable tradition. This book speaks especially to the second and third groups of people. Desire releases us to explore difference and to honor alternatives. Desire shapes our lives in unique ways. It centers our energies for personal and relational change where difference can be debated and variety permitted. We might transcend circumstances that limit us. Desire is more than meaningfulness it is captivation of mind and spirit to life's possibility. In my discovery desire is an abandonment to beauty.

The Battle of Broken Hill John Gardiner, 2026-01-02
These are lost stories. Forgotten Australian history. Brought back to life by two years of investigation and research. Some call it the first act of terrorism on Australian soil. A day when the horrors of World War I came to Australian shores. It was New Year's Day 1915. The Great War. World War I was just months old. In the outback mining town of Broken Hill a small band of Afghan camel drivers lived on the fringes in their own community known as the Ghantown. These men with their camels trekked essential food and supplies to isolated communities remote cattle and sheep stations deep in Australia's unforgiving desert lands. The Afghans were different different skin colour different faith different dress. A way of life alien to almost everyone in Broken Hill. Some of these tough foreigners were loyal to a Sultan in Turkey who had just declared war on Australia. Broken Hill was a proud tough trade union town. Many workers in this then uncompromising town disliked the Afghans. Mainstream Broken Hill regarded the foreigners as scabs who stole badly needed work from the Teamsters Union. Bullying and racism were daily cruelties in this outback realm. Simmering tensions were about to erupt. What followed was a spasm of violence so shocking it
