GILLESPIE, 1951 *Studies in the Gospel of Luke* Robert Elliott Speer, 1892 *Aspects of Coherency in Luke's Composite Christology* Daniel Gustafsson, 2022-03-18 Luke has often been understood to transmit a variety of Christological traditions without reflecting on them in relation to each other In this study Daniel Gustafsson challenges such positions and demonstrates that when the Gospel of Luke is approached as a narrative a different picture emerges Presentations of Jesus as Messiah Son of God prophet and Son of Man are shown to conform to Luke's overall plot and significantly overlap each other The voices of characters with high authority the use of Scripture and Jesus's relationship to the Holy Spirit are examples of other factors that contribute to coherency in Luke's Christology The Path to Salvation in Luke's Gospel MiJa Wi, 2019-05-23 This book investigates Luke's message of salvation in relation to socio economic issues and thus concerns salvation of the rich as well as the poor With a narrative reading of Luke's Gospel built on careful examination of its socio economic context it demonstrates that Luke's message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3 Divine reward promised to those who enact mercy Wi argues that Luke's question of what must we do juxtaposes salvation with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor in terms of divine mercy and justice shows that the reception of divine mercy calls for practices which embody it and above all clarifies Luke's notion of salvation of the rich which will happen as participation in the salvation of the poor Wi's conclusion challenges its readers by asking the question along with Luke's audience What must we do Talks on St. Luke's Gospel...
