The Writing of History, an Introduction to Historical Method (Classic Reprint) Fred Morrow Fling, 2017-09-16 Excerpt from The Writing of History, an Introduction to Historical Method. This volume is not a revised edition of my Outline of Historical Method; it is an entirely new work. It was written for college students who are beginning their studies in historical research, for teachers of history who have had no critical historical training, and for students of history who are hoping to find in private study some compensation for opportunities not enjoyed in college. This book does not aspire to fill the place of Bernheim's *Lehrbuch*, but rather to guide the student through his first steps in research and to prepare him for the study of Bernheim. In a word, it is an introduction to historical method. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
