Outrage At Blanco:

Outrage at Blanco Bill Crider, 1999 **Dark Places and Little Tramps** Juri Nummelin, 2025-05-15 *Dark Places and Little Tramps* collects Juri Nummelin's writings on noir hardboiled sleaze and other literary genres of yesteryear. The author has written extensively about genre fiction and popular culture for more than four decades but this new volume is the first publication of his writings in English. Among many other subjects it features a lengthy section on neo noir and writers like Gillian Flynn, Allan Guthrie, Jason Starr and Duane Swierczynski. He also investigates British spy and crime fiction and includes chapters on western and horror. Nummelin shines new light on many of these areas such as the largely forgotten topic of sleaze paperbacks.

Management and War Joanne Murphy, 2020-08-17 War and conflict are a reality of life throughout the world. While much is written about the impact of violence and disorder, how people and organisations adapt to these environments is poorly understood. This book tells the often hidden story of people managing, delivering services and sustaining economies through and beyond violent conflict. It is written for both general readers and academic specialists, combining first person interviews, insights from witness seminars and informal conversations with more scholarly research. Building on what we already know about organisational behavior and conflict transformation, the book looks at the delivery of housing and public amenities, the management of public space and commemoration, and the role of local businesses during and beyond violent conflict. In particular, it focuses on the role of organisational managers as peacebuilding entrepreneurs generating and sustaining conflict transformation efforts.

The Love Of Three Girls Nellie Bly, 2021-03-16 An astonishing discovery. Available for the first time in 125 years, the Lost Novels of Nellie Bly. Pioneering undercover journalist Nellie Bly is rightly famous for exposing society's ills. From brutal insane asylums to corrupt politicians, she exposed all manner of frauds and charlatans. She was also a skilled interviewer and reporter. What no one has known was that she was also a novelist. This is because of the twelve novels Bly wrote between 1889 and 1895, eleven of which have been lost. Until now. Newly discovered by author David Blixt, *What Girls Are Good For*, *The Master of Verona*, and *Nellie Bly's lost works of fiction* are now available for the first time. Complete with the original artwork, these are *The Lost Novels of Nellie Bly*. Sixteen-year-old orphan Christmas Cherry escapes from the foster home on Blackwell's Island without a friend in the world. On Christmas Day, her birthday, she wanders New York in search of shelter and a job. Unknown to Christmas, she shares a birthday with wealthy, petted and proud Amor Escandon, who has also run away after witnessing her beloved father commit a terrible crime. Christmas finds a protector in handsome George Chesterland. But no sooner does he promise her a job than he's forced to dive into the Hudson River and save Amor from drowning as she attempts to commit suicide. To Christmas's dismay, he is clearly smitten with Amor's beauty. Together, Christmas and Amor accept shelter in the home of a poor cabdriver and his family, only to find a bitter foe in the cabbie's daughter, Lillian Day. All three long for George Chesterland's love, but he only has eyes for the haughty Amor. But Amor's secret pursues her. The evil Matteo Blanco demands her hand in marriage, or else he will reveal her father's crime. Yet
