**The Gods Have Landed** James R. Lewis, 1995-01-01 This is a comprehensive account of the religious dimensions of the UFO flying saucer experience. **The Secret of the Five Rites** John Michael Greer, 2023-11-28 An investigation of The Eye of Revelation a system of inner alchemy meant to awaken the subtle powers of the human body and mind. This book examines in detail a short book often referred to as The Five Tibetans that was published in 1939 teaching a simple yet effective set of five exercises for health and longevity the Five Rites. Certain dietary rules and lifestyle principles accompanied the Rites so did a Sixth Rite that worked the diaphragm muscles and redirected sexual energies and also a set of teachings about seven energy centers or vortices in the body though not the same as the well known seven chakras along the spine. These vortices are among the most distinctive things about the system and are found in only a scattered handful of sources elsewhere. It is by awakening the vortices to their normal rate of spin the book claims that the Rites achieve their effects. John Michael Greer follows each of these threads back as far as possible to reveal something of the landscape of ideas and practices that gave rise to these remarkable exercises. He then spins the threads back together putting the Five Rites in as much of their original context as he can and describing in detail the practice of the

broader system in which the Rites have their place a system of inner alchemy meant to awaken certain subtle powers of the human body and mind The book also includes the complete original text of The Eye of Revelation     Popular Mechanics ,1939-06 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle     *International UFO Library Magazine Volume 2 1991* Joseph J. Lawrence Parry,2023-02-13 Zero Point Faster Than Light Speed is intended for men and women in all walks of life who are striving to understand the UFO phenomenon and recent developments which are about to appear on our near future horizon We are going to need to know where and how to react to these changes If you look a little at TV for example you can see that ETs are making their way slowly into our lives Our children s cartoons are a good example This book will expand your mind and possibly your lives when you fully understand how really far we ve come in the last 50 years Next time you see a Tic Tac zooming on a news report and you hear the old clich We don t have anything that that travels that fast Or How do they turn like that at such high speeds You ll realize someone is definitely not telling the truth In the very near future you will be able to see in everyday life the type of Hover board used by Michael J Fox in the film Back to the Future 2 Our cars and trains will even be hovering and super cool electrical like we ve only dreamed No more roads no more gas no more heavy trucks or busses tearing up the pavement We need to start planning on how to take advantage of all the

new technology our near future will provide Think about Zero Point as a simple glimpse of the future whereby you may master your future instead of allowing the future to dictate to you Thank you J Lawrence Parry *Alien Worlds* Diana Tumminia,2007-05-17 This intriguing collection of essays presents reflections upon the birth proliferation enduring appeal and future of extraterrestrial mythology Highly respected authors and researchers representing the varied and sometimes competing perspectives of ufology and the sociology of religion provide a fascinating and instructive voyage into the social worlds of UFOs abductees and contactees Reports of aliens and the changing nature of abduction experience even its sexual dimension are explored in relation to literature cultural practices and ideology The influence of abduction therapy and support groups is considered as are new religious movements with extraterrestrial themes Alien Worlds will enlighten anyone wanting to understand what and how the academic world thinks about UFOs contactee groups and alien phenomena
