Our Vichy Gamble William L. Langer, 1960 **Our Vichy Gamble** William R. Langer, 1965 **Our Vichy Gamble, by William L. Langer, ...** William L. Langer, 1947 Our Vichy Gamble William Leonard Langer, 1947 First edition The Murphy Weygand accord pages 399 401 Text of the protocols signed at Paris May 27 28 1941 pages 402 412 **William L. Langer: Our Vichy gamble ...** Emilio Martín, 194? **Destination Casablanca** Meredith Hindley, 2017-10-10 This rollicking and panoramic history of Casablanca during the Second World War sheds light on the city as a key hub for European and American powers and a place where spies soldiers and political agents exchanged secrets and vied for control In November 1942 as a part of Operation Torch 33 000 American soldiers sailed undetected across the Atlantic and stormed the beaches of French Morocco Seventy four hours later the Americans controlled the country and one of the most valuable wartime ports Casablanca In the years preceding Casablanca had evolved from an exotic travel destination to a key military target after France s surrender to Germany Jewish refugees from Europe poured in hoping to obtain visas and passage to the United States and beyond Nazi agents and collaborators infiltrated the city in search of power and loyalty The resistance was not far behind as shopkeepers celebrities former French Foreign Legionnaires and disgruntled bureaucrats formed a network of Allied spies But once in American hands Casablanca became a crucial logistical hub in the fight against Germany and the site of Roosevelt and Churchill s demand for unconditional surrender Rife with rogue soldiers power grabs and diplomatic intrigue *Destination Casablanca* is the riveting and untold story of this glamorous city memorialized in the classic film that was rush released in 1942 to capitalize on the drama that was unfolding in North Africa at the heart of World War II

Indomitable Will Charles Kupfer, 2012-04-05 Some of the worst military disasters in U S history occurred between Pearl Harbor on December 7 1941 and the Battle of Midway in June 1942 During this period the American people faced a barrage of bad news and accounts of defeats and retreats Yet if they were shocked and dismayed they showed little panic *Indomitable Will* resurrects the legacy of this first half year of American combat during WWII a legacy of pain but not of woe Historian Charles Kupfer recounts the story of the war s early defeats Bataan Corregidor Wake Island and the Java Sea Some of these battles remain evocative today others are obscure all were catastrophes for American arms Kupfer asserts however that later victories were made inevitable by the steeling effect of those initial disasters Weaving together military journalistic political and cultural histories this engaging book shows that by setting their collective will on victory Americans in and out of uniform gained strength from their setbacks *Indomitable Will* spells out how the nation turned early defeat into ultimate victory *Reluctant Ally* Frank W. Brecher, 1991-06-30 Told in narrative form this story of the origins of United States policy towards European Jews Zionists and Israelis and the Jews reaction to that policy becomes a moving account of how the American outrage at mistreatment of European Jewry after World War I joined with an organized response to the Zionist movement to ultimately support the settling of Palestine Rapid policy changes from 1900 to mid century are carefully

chronicled and the resulting history integrated into a comprehensive overview whose relevance to the current Gulf war and U S policy toward Israel cannot be overlooked

The First Summit Theodore A. Wilson,1991 Four months before Pearl Harbour Winston Churchill and Franklin D Roosevelt met in secret aboard a ship in a secluded Newfoundland harbour This was the first summit conference of World War II

Franklin D. Roosevelt and American Foreign Policy, 1932-1945 Robert Dallek,1995-05-25 Since the original publication of this classic book in 1979 Roosevelt s foreign policy has come under attack on three main points Was Roosevelt responsible for the confrontation with Japan that led to the attack at Pearl Harbor Did Roosevelt give away Eastern Europe to Stalin and the U S S R at Yalta And most significantly did Roosevelt abandon Europe s Jews to the Holocaust making no direct effort to aid them In a new Afterword to his definitive history Dallek vigorously and brilliantly defends Roosevelt s policy He emphasizes how Roosevelt operated as a master politician in maintaining a national consensus for his foreign policy throughout his presidency and how he brilliantly achieved his policy and military goals

Roosevelt Basil Rauch,1975-05-21 **After D-Day** Robert Lynn Fuller,2021-02-24 After D Day is one of a small but growing body of works that examine the Allied liberators of France This study focuses on both the French experience of the U S Army and the American soldiers reaction to the French during the liberation and its immediate aftermath Drawing on French and American archival materials as well as dozens of memoirs diaries letters and newspapers Robert Lynn Fuller follows French and American interactions starting in the skies over France in 1942 and ending with the liberation of Alsace in 1945 Fuller pays special attention to French life in the war zones where living under constant shelling offered a miserable experience for those forced to endure it The French stoically withstood those travails sometimes inflicted by the Americans when they saw their sacrifices as the price of liberation and victory over Germany As Fuller shows when the French did not believe afflictions brought by the Americans advanced the cause of success their tolerance waned sometimes dramatically Fuller maintains that the Allied bombing of France was an important yet often overlooked chapter of World War II one that inflicted more death and destruction than the ground war still to come Yet the ground campaign which began with the Allied invasion of Normandy unleashed enormous violence that killed injured or rendered homeless tens of thousands of French civilians Fuller examines French and American records of the fate of civilians in the principal battle zones Normandy and Lorraine as well as in overlooked liberated regions such as Orl anais and Champagne that largely escaped widespread damage and casualties Despite French gratitude toward the Americans for the liberation of their country relations began to cool in the fall and winter of 1944 as progress on the battlefield slowed and then appeared to reverse with the German offensive in the Ardennes Revealing in stark detail the experiences of French civilians with the American military After D Day presents a compelling coda to our understanding of the Allied conquest of German occupied France

Roosevelt, from Munich to Pearl Harbor Basil Rauch,1967 **Newsletter** ,1977 *Journal of Central European Affairs* ,1947 **Charles de Gaulle: the Crucial Years, 1943-1944** Arthur Layton Funk,1959 The French Zone of
