## **Our Thoughts:**

**Our Thoughts Create Our Experience** Raymond Simms LPC MA,2024-07-08 This book covers the whole man and how to align the body soul and spirit as one Your purpose and calling are tied together As you discover your purpose you will then discover your calling Your purpose is inside and your calling is outward This book will assist you in the process of preparing first the foundation which begins in the soul The reason people are so unhappy in what they do is that they have not discovered their God given purpose inwardly which is revealed by the Holy Spirit Our purpose is internal and eternal our souls are also internal and eternal God given purpose has to do solely with man s soul It first begins with the soul then outward to one s calling It is important to first develop the soul s purpose as the soul houses the character of the man Man s character will affect positively or negatively man s calling This is the process that the Holy Spirit takes God s people through as He did with Jesus in the wilderness to test His character that is His soul **The Power of Oneness** Sandra C.

Brossman,2003-01-01 Sandra Brossman clarifies how you can consciously use the power of thought to live a balanced life and experience unconditional love health joy and abundance **The Platform Sutra** Red Pine,2006-11-10 An accessible translation of Hui neng s autobiography and teachings completing the classic triumvirate of Zen Ch an Buddhist sutras It is often linked with The Heart Sutra and The Diamond Sutra to form a trio of texts that have been revered and studied for centuries However unlike the other sutras which transcribe the teachings of the Buddha himself The Platform Sutra presents the autobiography of Hui neng the controversial 6th Patriarch of Zen and his understanding of the fundamentals of a spiritual and practical life Hui neng s instruction still matters the 7th century school of Sudden Awakening that he founded survives today continuing to influence the Rinzai and Soto schools of contemporary Zen Red Pine whose translations of The Heart Sutra and The Diamond Sutra have been celebrated and widely received now provides a sensitive and assured treatment of the third and final sutra of the classic triumvirate He adds remarkable commentary to a translation that combined with the full Chinese text a glossary and notes results in a Mahayana masterpiece sure to become the standard edition for students and seekers alike **The Impossible Way: The Way, The Truth & The Life (The Complete Trilogy)** Marcus A.

Allen,2020-03-23 The words of this book are based upon Christ s declaration I am the way the truth and the life St John 14 6 This Holy Ghost inspired book will have every reader reexamining their faith in Christ their walk in God and even the way they currently display God s Agape love in this world I am come unto you as a friend and truly I write unto you in much fear and trembling in the Holy Ghost I come not in mine own name but in the name of him who has sent me to testify unto the truth and in him is no lie even he which is Jesus Christ our Lord Now there is utterly a fault in the church from the least to the greatest those who preach haven t been sent to preach and those who teach have not the anointing and those who prophesy unto you have prophesied a lie because they have altogether deceived the people and because of your carrying away you shall be one with their damnation While reading this book you shall learn the truth of your God and Creator and of

his Son Jesus Christ You shall learn how to identify the voice of God in your hearing and how he speaks to you You will learn how and why the Lord God is so attached to man and why he loves man so much You will learn why you must be born again moreover you will discover what it is you need to do what s your part in the kingdom of God to truly be a light to others in this world You will discover the reason why both faith and love are the keys to life in the kingdom of God and the role they play in salvation You will learn how to properly utilize and deploy your faith in a powerful new way And even though you might know the basics of faith today you will learn why its works have been a great mystery to the church Today we will unlock this mystery together and you will find that you now not only can please God but that you will also learn how easy it is for you to do his will and overcome all things by faith You will also learn who your heavenly Father really is as you come to realize that he has been waiting a long to meet you Above all else you will learn the reasons why the miracles spoken of in St Mark 16 16 18 are not occurring in the church today and why the ministers and preachers of our day have not been bringing forth the word with signs following as had the apostles You will be taught many things that you may have never been taught in the church or have been taught improperly such as the Constancy the Fidelity and the Faithfulness of God in the reality of himself You will learn not only what these words mean but you will learn how to apply them to your life as you grow in Christ Little children I am only asking of you is to listen to his voice today This book is a book of instructions given in hopes of making YOU ALL true Disciples of Christ My one and only prayer for you all is that you don t miss out on the opportunity to learn the truth about your heavenly Father so that you do not go The Impossible Way     *Your Soul Is in Your Symptoms* John F. Medveckis MA LPC,2019-04-24 Are you suffering Do you look at your symptoms as mortal enemies that need to be eradicated and destroyed Are you a seeker Have you spent countless hours looking for solutions to your ills Are you growing more frustrated and angry Do you take it out on yourself subtly or overtly Are you seeking and not finding Maybe it isn t your fault Maybe you are looking in all the wrong places See what you are not to know what you are     **Choosing Stillness, Knowing Love** Christine Dixon,2016-06-03 Often our default is to turn for guidance to external sources rather than connecting to the God given Spirit of Love within us We may effectively forfeit our direct connection to God and become dependent on outside authorities causing our spiritual roots to remain shallow and insecure Choosing Stillness Knowing Love offers a practical daily plan that makes connecting to the Spirit of God personal and tangible Through guided journaling awareness and stillness exercises this book encourages the reader to develop the habit of creating space to listen to the still small voice of God This leads to deeper roots that result in healing wisdom and a natural production of the fruit of the Spirit This book is designed to focus on one person at a time one moment at a time     Elements of the philosophy of the human mind ...
