## **Out All Night:**

*Ten Stupid Things Couples Do to Mess Up Their Relationships* Dr. Laura Schlessinger, Laura Schlessinger, 2001-12-24

Have you ever withheld information from your spouse or partner for fear of rejection Do you feel that your own needs come before your relationship Do you continue to cling to past relationships even at the expense of your current one Do you put your work first even if it means you never see your family Are you in a destructive relationship If you answered yes to any of these questions then Dr Laura has some hard truths for you to face Dr Laura Schlessinger is an expert on the stupid things men and women do to sabotage themselves and their happiness In her earlier bestsellers *Ten Stupid Things Women Do to Mess Up Their Lives* and *Ten Stupid Things Men Do to Mess Up Their Lives* she urged her readers to take responsibility for their actions and to respect themselves and the people in their lives Now the popular radio talk show host tackles another difficult complicated issue the ways in which women and men hurt themselves and one another in their romantic relationships Using real life situations from her radio call in show and from listeners letters Dr Laura offers firm yet compassionate advice on how to find greater happiness in life and in love She urges couples to set their priorities straight learn the difference between privacy and secrecy stop making stupid excuses for their mistakes and face their responsibilities to each other and to their families Too often individuals in relationships ask only what the relationship can do for them not what they can do for the relationship Too many people are jumping into intimate relationships before taking the time to get to know each other In *Ten Stupid Things Couples Do to Mess Up Their Relationships* Dr Laura calls for a return to traditional courtship Courtship allows couples and their families to get acquainted with one another over a longer period of time and provides structure and guidelines for that important process She asks couples to take a long hard look at the recurring problems in their marriages both small and large and doesn't hesitate to tell them what they are doing wrong and how they can fix them This is an invaluable guide for all married couples newlyweds and grandparents alike and for single people who are struggling to find the right mate or to escape a bad relationship Acknowledging your stupid mistakes can be difficult but with the help of this book you will learn how to correct them and how to find fulfillment joy and loving

companionship in your most important relationship    [The Book of the Thousand Nights and One Night](#) , 1923    [Why Settle for Crumbs? You Deserve the Whole Cake!](#) Erica Yvette, 2020-10-13 This book gives insight into the life of the author during her first marriage The author candidly shares her story so others can see what she endured while being married to someone who did not treat her as well as she deserved This book was written to not only share her experiences but to make the reader reflect and evaluate their own relationship After reading this book you should realize that you deserve to have a relationship that is both fruitful and fulfilling You deserve the whole cake    **They Don't Dance Much** James Ross, 1975 Called by Raymond Chandler a sleazy corrupt but completely believable story of a North Carolina town this tough realistic novel exemplifies Depression literature in the United States Falling somewhere between the hard as nails writing of James M

Cain and the early stories of Ernest Hemingway James Ross's novel was for sheer brutality and frankness of language considerably ahead of his reading public's taste for realism untinged with sentiment or profundity. In his brilliant Afterword to this new edition George V Higgins author of the recent best seller Cogan's Trade pays tribute to Ross for his courage in telling his story truthfully in all its ugliness. The setting of They Don't Dance Much is a roadhouse on the outskirts of a North Carolina town on the border with South Carolina complete with dance floor, restaurant, gambling room and cabins rented by the hour. In the events described Smut Milligan the proprietor seeks money to keep operating and commits a brutal murder.
