Outlaw Thickets:

Outlaw Thickets Les Savage, 1954 **Outlaw Thickets** Lee Savage Jr., **Outlaws of the Brasada** Les Savage, 2014-11-18 A Civil War veteran and widower struggles to keep his children alive in a pair of classic Western tales. Things looked dark for Emery Bandine when he returned to Spanish Crossing from fighting in the Civil War. Conditions in Texas were so harsh that he could barely feed his family. He started to gather a stake by rounding up unbranded cattle in the brush country, but he couldn't afford to pay for medical care for his young wife, and she died while bearing her third child. Bandine is left with two children and swears that no matter what he has to do, he won't let them grow up to face the same poverty. But how can he fight the Union occupation forces and at the same time protect his children? **Outlaws of the Brasada** is accompanied by one of Savage's finest short stories, **Gunstorm**, a chilling tale of a gunfighter with his back against the wall. Due to his preference for historical accuracy, Savage often ran into problems with book editors in the 1950s who were concerned about marriages between his protagonists and women of different races, a commonplace on the real frontier but not in much Western fiction of that decade. This edition of **Outlaws of the Brasada** fully restores Savage's original text. Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West. Westerns, books about outlaws, sheriffs, chiefs, and warriors, cowboys, and Indians are a genre in which we publish regularly. Our list includes international bestselling authors like Zane Gray and Louis L. Amour and many more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. **Cumulative Paperback Index, 1939-1959** R. Reginald, 2009-12-01 This was the first bibliography and guide to the American mass market paperback book, and it remains one of the most definitive. The major index is by author and lists author, title, publisher, book number, year of publication, and cover price. The title index lists titles and authors only. The publisher index provides a history of that imprint with addresses, number ranges, and general physical description of the books issued. This is the place that all study of the American paperback must begin. **Adult Catalog: Title** Los Angeles County Public Library, 1970 **A TEXAS MATCHMAKER** ANDY ADAMS, 1904 **The Story of the Outlaw** Emerson Hough, 1907 **Stories of the Far North** Jon Tuska, 1998-01-01 The Northwestern story emerged full-blown from the pen of Jack London, and his **The League of the Old Men** is a fitting introduction to these rigorous action tales in which the inhospitable climate strips away civilized veneer and individuals must live or die by their cunning instinct and sometimes ruthlessness. The bond between man and dog and the character flaws revealed under the stresses of extreme isolation are just two of the classic themes explored in these works. The collection comes to a fitting climax of a century's worth of development with a new story by Tim Champlin, commissioned for this volume. Most of these stories were originally published in magazines and were heavily edited to meet space and style concerns. **Stories of the Far North** restores each work to its original form, uncut and as each author intended.
