Thickett, 1990-08-15 Outrageously Offensive Jokes II Maude Thickett, 1984 **Outrageously Offensive Jokes II**
Thickett, 1986-07 **Cracking Jokes** Alan Dundes, 2017-01-19 **Lowering the Bar** Marc Galanter, 2006-08-08 What do you call 600 lawyers at the bottom of the sea Marc Galanter calls it an opportunity to investigate the meanings of a rich and time honored genre of American humor lawyer jokes Lowering the Bar analyzes hundreds of jokes from Mark Twain classics to contemporary anecdotes about Dan Quayle Johnnie Cochran and Kenneth Starr Drawing on representations of law and lawyers in the mass media political discourse and public opinion surveys Galanter finds that the increasing reliance on law has coexisted uneasily with anxiety about the legalization of society Informative and always entertaining his book explores the tensions between Americans deep seated belief in the law and their ambivalence about lawyers *Secretly Inside* Hans Warren, 2006 In the Dutch countryside the war seems far away For most people at least But not for Ed a Jew in Nazi occupied Holland trying to find some safe sanctuary Compelled to go into hiding in the rural province of Zeeland he is taken in by a seemingly benevolent family of farmers But as Ed comes to realize the Van t Westeindes are not what they seem Camiel the son of the house is still in mourning for his best friend a German soldier who committed suicide the year before And Camiel s fiery unstable sister Mariete begins to nurse a growing unrequited passion for their young guest just as Ed realizes his own attraction to Camiel As time goes by Ed is drawn into the domestic intrigues around him and the farmhouse that had begun as his refuge slowly becomes his prison Outrage Off Jokes4 Maude Thickett, 1987 **The Mourning for Diana** Tony Walter, 2020-06-11 The unexpected death of Diana Princess of Wales in Paris on August 31st 1997 led to a period of mourning over the next week that took the world by surprise Major institutions the media the royal family the church the police for once had no pre planned script For the public this was a story with an ending they had not anticipated How did these institutions and the public create a cultural order in the face of such disorder Both those involved in the mourning and those who objected to it struggled to understand the depth and breadth of emotion shaking Britain and the world Mourning was focused on London where Diana s body lay and on Diana s home Kensington Palace Throughout the city and especially in Kensington Gardens millions left shrines to the dead princess made of flowers messages teddy bears and other objects In towns and villages around the UK this was repeated The mourning was also global with media dominated by Diana s death in scores of countries The funeral itself had a record breaking world television audience and messages of condolence floated around the globe in cyber space How unique was all this Does it mark a shift in the culture of mourning of the position of the monarchy of the role of emotion in British culture How does it compare with the mourning for other super icons JFK Evita Elvis and Monroe Was it media induced hysteria Or was it simply a magnification of normal mourning behaviour Focusing on the extraordinary actions of millions of ordinary people this book documents what happened and shows how a modern

rational society coped with the unexpected in a proto revolutionary week that left participants and objectors alike asking why did we behave like this

Jokes Herbert S. Streehan, 1993 In the tradition of Freud's *Jokes and Their Relation to the Unconscious* Herbert Streehan has presented an incisive examination of jokes as a form of emotional communication of our deepest anxieties and most basic conflicts and impulses He lucidly illustrates how through the medium of jokes we are permitted safe if indirect expression of our erotic and perverse wishes our hostile and defiant attitudes toward authority our needs to deprecate those we perceive as superior our stake in the war of the sexes and our gratification in depicting religious figures and therapists as all too humanly succumbing to the temptations of lust and avarice The jokes Dr Streehan presents and discusses are those concerned with the basic life situations that are inevitably characterized by ambivalence and conflict Thus they constitute the principal material of psychotherapy
