The Complicit Text Ivan Stacy,2020-12-10 The Complicit Text Failures of Witnessing in Postwar Fiction identifies the causes of complicity in the face of unfolding atrocities by examining the works of Albert Camus Milan Kunera Kazuo Ishiguro W G Sebald Thomas Pynchon and Margaret Atwood Ivan Stacy argues that

complicity often stems from narrative failures to bear witness to wrongdoing However literary fiction he contends can at once embody and examine forms of complicity on three different levels as a theme within literary texts as a narrative form and also as it implicates readers themselves through empathetic engagement with the text Furthermore Stacy questions what forms of non complicit action are possible and explores the potential for productive forms of compromise Stacy discusses both individual dilemmas of complicity in the shadow of World War II and collective complicity in the context of contemporary concerns such as the hegemony of neoliberalism and the climate emergency
