

The title screen for "The Secret of Monkey Island" features the game's name in large, jagged, pinkish-purple letters. The letters are set against a dark, atmospheric background that includes a dark sky with a crescent moon and stars, and a silhouette of a person in a hat and coat standing on a rocky shore. The title is framed by a decorative border that includes a small crown at the top center.

Can Elephant keep the big news under his party hat for one whole day? Monkey and Elephant are very good friends, such good friends that Monkey lets Elephant in on a secret. The secret is that it is Monkey's birthday and Monkey does not like birthdays. But Elephant also has a secret he has trouble keeping secrets. And keeping such a happy secret is especially hard. When Elephant learns that Clever Rat has made some party hats and is inviting friends over to see them, Elephant wants to turn their gathering into a party for Monkey. But how will he do it without giving away Monkey's secret?

The Monkey's Secret Gennifer Choldenko, 2015-08-06 A segregated town, a hidden boy, a courageous girl and a mystery in desperate need of solving. San Francisco, 1900. Thirteen year old Lizzy Kennedy is not like the other girls in her town. She'd much rather be helping her doctor father with his patients than be stuck in frilly dresses and learn how to dance, but unfortunately for her society and her Aunt Hortense has other ideas about what is proper for a young lady. This includes not poking your nose in other people's business, but then Jing, their beloved housekeeper, gets stuck in the Chinatown quarantine. Fear rules San Francisco: fear of the Chinese and mostly fear of the plague rumours that circle them. Lizzie knows she has to help Jing, whatever the warnings. But what she doesn't expect to find is a strange boy hiding in Jing's room. The boy is called Noah. He says he's Jing's son, although Lizzie's never heard of him and although he's escaped the quarantine, he can't risk leaving the house in case he gets rounded up, too. Lizzie wants to investigate, but it seems her questions only get people riled up. Is there really plague in San Francisco? What have the Chinese got to do with it? Just what or who is the mysterious monkey and what has his secret got to do with anything? Lizzie will have to use all of her courage, instinct and cleverness to unravel the mystery of the monkey's secret, save Jing, Noah and Chinatown and maybe even her own destiny.
