Monster Story Teller:

The Monster Story-Teller Jacqueline Wilson,2008-09-04 Monster Planet here we come One morning at school Natalie is feeling bored until a tiny monster waves at her from a plant on the classroom window sill The monster whizzes her off in his mini flying saucer for some MONSTER FUN Now Natalie really has some monster stories to tell An exciting and funny adventure from the award winning author of THE DINOSAUR S PACKED LUNCH **The Return of the Storyteller in Contemporary Fiction** Areti Dragas,2014-08-31 Focusing on the figure of the storyteller this study breaks new ground in the approach to reading contemporary literature by identifying a growing interest in storytelling For the last thirty years contemporary fiction has been influenced by theoretical discourses textuality and writing Only since the rise of postcolonialism have academic critics been more overtly interested in stories where high theory frameworks are less applicable However as we move through various contemporary contexts engaging with postcolonial identities and hybridity to narratives of disability and evolutionary accounts of group and individual survival a common feature of all is the centrality of story which posits both the idea of survival and the passing on of traditions The Return of the Storyteller in Contemporary Fiction closely examines this preoccupation with story and storytelling through a close reading of six contemporary international novelists that are either about actual storytellers or engage with the figure of the storyteller revealing how death of the author has given birth to the storyteller **Ebony Jr.** ,1984-10 Created by the publishers of EBONY During its years of publishing it was the largest ever children focused publication for African Americans *The Monster Story-Teller* Jacqueline Wilson,2007-06-09 One morning at school Natalie is feeling bored until a tiny monster waves at her from a plant on the classroom window sill The monster whizzes her off in his mini flying saucer for some monster fun Now Natalie really has some monster stories to tell **Primary Education** ,1926 **Primary Education, Popular Educator** ,1926
