Fox,2020-12-04 Ancient gods Modern war And a star crossed couple who could use some divine intervention The day I was
drafted into the army of the gods all I knew about being a MASH surgeon was what I d learned from Hawkeye Pierce and Hot
Lips Houlihan Now here I am Dr Petra Robichaud in the middle of an immortal war assigned to a MASH camp with a nosy
sphinx a vegetarian werewolf and an uptight vampire who really needs to get a life At least they re all too busy with their own
dramas to discover my secret I can see the dead It s a forbidden gift one that can get me killed so I haven t told a soul Until
the arrestingly intense Galen arrives on my operating table half dead and totally to die for When his spirit tries to slip out of
his fatally wounded body I impulsively slip it back in Call it a rash resurrection One I ll live to regret Now Commander Galen
of Delphi knows my secret and he s convinced I m part of an ancient prophecy one that can end the war for good But taking a
chance could cost me everything And it would be easier to convince him to leave me alone except now the prophecies are
starting to come true Warning This novel contains a hefty dose of danger drama practical jokes pet swamp lizards brooding
demigods adventure romance and heart in a MASH camp where everybody knows your business The core of this book was
originally called Immortally Yours published by St Martin s Press in 2012 The author has rewritten it into the way she always
envisioned the story to be which means it is now a romantic comedy instead of an angsty book Oh and there are a lot more
pet swamp lizards too *Monster Mash* Robin Smith,2014-04-26 The monsters miss Great Great Great Grandmonster
