Monster Slayer, 1991 Two brothers go in search of monsters who haunt their people's village Pieces of White Shell
Terry Tempest Williams, 1987 Introduction to Navajo culture by a storyteller Monster Slayer Robert Scott, 2002

Navajo and the Animal People Steve Pavlik, William B Tsosie, 2014-07-01 This text examines the traditional Navajo relationship to the natural world Specifically how the tribe once related to the Animal People and particularly a category of animals which they collectively referred to as the naatl eetsoh the ones who hunt These animals like Native Americans were once viewed as impediments to progress requiring extermination Blackening Rite R. A. F. McPhearson, 2003-12 Lost in the horizon Robert Begay a traditional Navajo struggles to regain his sense of self and honor he believes lost long ago in the jungles of Vietnam where Native Americans were forced against their ancient ways during modern combat Soul wounded and seriously injured during the war Robert must go to the rescue of his younger brother who is cornered by murderous thieves in the canyonlands of the Arizona Reservation Desperate Tommy Begay has sent a message for help his bear claw necklace tied into the mane of his horse Robert feels the ancient pull of battle once again but this time it's with a man from another tribe who inflicts pain for pleasure and believes himself invincible Robert sees this challenger as the nemesis sent by the Black God to test him To save his brother and regain his sense of honor Robert must fight the Apache in a running hand to hand duel during a vicious winter storm Unknown to the Navajo he comes into his heritage of Monster Slayer the ancient hero god who fights evil It's up to Robert to accept his indwelling persona and re-establish himself to prove he is a true warrior of his people American Indian Medicine Ways Clifford E. Trafzer, 2017-10-17 Indigenous people of wisdom have offered prayers of power protection and healing since the dawn of time From Wovoka the Ghost Dance prophet to contemporary healer Kenneth Coosewoon medicine people have called on the spiritual world to help humans in their relationships with each other and the natural world Many American Indians past and present have had the ability to use power to access wisdom knowledge and spiritual understanding This groundbreaking collection provides fascinating stories of wisdom spiritual power and forces within tribal communities that have influenced the past and may influence the future Through discussions of omens prophecies war peace ceremony ritual and cultural items such as masks prayer sticks sweat lodges and peyote this volume offers examples of the ways in which Native American beliefs in spirits have been and remain a fundamental aspect of history and culture Drawing from written and oral sources the book offers readers a greater understanding of creation narratives oral histories and songs that speak of healers spirits and power from tribes across the North American continent American Indian medicine ways and spiritual power remain vital today With the help of spirits people can heal the sick protect communities from natural disasters and mediate power of many kinds between the spiritual and corporeal worlds As the contributors to this volume illustrate healers are the connective cloth between the ancient past and the present and their influence is significant for future generations CONTRIBUTORS R David Edmunds Joseph B Herring
