Monster Within Overcoming Eating Disorders:

The Monster Within Cynthia Rowland McClure,1998 The story of a TV journalist who struggled with bulimia until she found answers that changed her entire life **The Monster Within** Cynthia Rowland McClure,2002-06-01 Cynthia Rowland was an outwardly vivacious and successful television news reporter who inwardly had slipped into the depths of bulimia An addiction to binging and purging and heavy doses of laxatives finally landed her in treatment The Monster Within tells the story of her descent into sickness her struggle to learn why she was engaging in slow suicide and the courage and grace it took to get well This updated edition includes a section of answers to some of the common questions the author is asked about bulimia Anyone suffering from an eating disorder there are eight million bulimics in America alone as well as parents friends counselors and pastors will find hope and help through this engaging true life story **Eating Disorders** Raymond Lemberg,Leigh Cohn,1998-12-15 Eating disorders such as anorexia nervosa and bulimia nervosa pose a grave danger to the health of thousands of Americans each year This sourcebook brings together in a single volume an extensive amount of information and resources regarding the diagnosis and treatment of these potentially life threatening conditions This volume is a substantially updated and expanded version of Controlling Eating Disorders with Facts Advice and Resources Oryx 1992

Sensing the Self Sheila M. Reindl,2001 Hearing about the destructive compulsion of bulimia nervosa outsiders may wonder How could you ever start Those suffering from the eating disorder ask themselves in despair How can I ever stop How do you break the cycle of bingeing vomiting laxative abuse and shame While many books describe the descent into eating disorders and the resulting emotional and physical damage this book describes recovery Psychologist Sheila Reindl has listened intently to women s accounts of recovering Reindl argues compellingly that people with bulimia nervosa avoid turning their attention inward to consult their needs desires feelings and aggressive strivings because to do so is to encounter an annihilating sense of shame Disconnected from internal sensed experience bulimic women rely upon external gauges to guide their choices To recover bulimic women need to develop a sense of self to attune to their physical psychic and social self experience They also need to learn that one s neediness desire pain and aggression are not sources of shame to be kept hidden but essential aspects of humanity necessary for zestful life The young women with whom Reindl speaks describe with great feeling their efforts to know and trust their own experience Perceptive lucid and above all humane this book will be welcomed not only by professionals but by people who struggle with an eating disorder and by those who love them **The Monster Within** Cynthia Rowland McClure,Paul D. Meier,1984 **Rather than Rehab** Lori Losch,2017-08-01
