Mhango, Nkwazi Nkuzi,2015-12-01 Africa Reunite or Perish is a daring and timely book that explores the essence and nefariousness of neocolonialism in a purportedly independent Africa The book shows how Africa spends billions of dollars in pseudo threats among African countries due to colonially entrenched fear and war mongering The book is emphatic on deconstruction and decolonisation as a categorical imperative for the reunification of Africa beyond the narrow confines of current nation states Mhango takes a diagnostic cum prognostic approach in discussing Africa s predicaments and in identifying and proposing solutions to problems confronting Africans The book ascertains Africa s untapped potentials by proving how Africa can live without the infamy of excruciating dependency and beggarliness It makes a compelling case for African unity beyond the tokenism of officialdom It prescribes a truly pan African driven reunification of Africa as the only means of reclaiming the glory she used to enjoy before she was savagely partitioned *Roger Ebert's Movie Yearbook* Roger Ebert,2005
