

# MONTANA'S RIGHTEOUS HANGMEN

**The Vigilantes in Action**

*Edited by LEW. L. CALLAWAY  
Foreword by MERRILL G. BURLINGAME*

# Montanas Righteous Hangmen

**ABC-Clio Information Services**

## **Montanas Righteous Hangmen:**

**Montana's Righteous Hangmen** Llewellyn Link Callaway, 1997-02-01 This is the story of Montana Territory in the last half of the nineteenth century when a massive influx of gold seekers brought murderers and robbers into the region and forced the creation of an organization of law abiding citizens known as the Vigilantes Led by Captain James Williams the Vigilantes sought to stop the blatant activities of more than fifty road agents in the Bannack Virginia City mining area who were secretly directed and protected by a local sheriff Henry Plummer The first instance of taking the law into their own hands occurred when an impromptu group of men captured tried and hanged one notorious killer George Ives Thereafter with public approval the Vigilantes continued to ride across the land bringing swift retribution to all wrongdoers Lew L Callaway who grew up knowing Captain Williams as a friend to his father herein recounts the stories of such famous episodes as the trial of Ives and the controversial capture and hanging of Joseph A Slade who was carrying the severed ears of one of his victims in his pocket on the day he was hanged More than a history of the bloody era that spawned the Vigilantes this is the story of life in Montana Territory of gold fever Indian warfare and the cattle empire that ended along with Captain Williams s life in the disastrous winter of 1887

**Montana's Righteous Hangmen** Llewellyn Link Callaway, 1982 Relates the history of the Montana Vigilance committees of the 1860s and their controversial actions of extralegal justice in mining camp areas where territorial government had little power *Montana Vigilantes, 1863-1870* Mark C. Dillon, 2018-10-22 A history and legal analysis of vigilantism in Montana in the 1860s from a state Supreme Court justice and legal historian Historians and novelists alike have described the vigilantism that took root in the gold mining communities of Montana in the mid 1860s but Mark C Dillon is the first to examine the subject through the prism of American legal history considering the state of criminal justice and law enforcement in the western territories and also trial procedures gubernatorial politics legislative enactments and constitutional rights Using newspaper articles diaries letters biographies invoices and books that speak to the compelling history of Montana s vigilantism in the 1860s Dillon examines the conduct of the vigilantes in the context of the due process norms of the time He implicates the influence of lawyers and judges who like their non lawyer counterparts shaped history during the rush to earn fortunes in gold Dillon s perspective as a state Supreme Court justice and legal historian uniquely illuminates the intersection of territorial politics constitutional issues corrupt law enforcement and the basic need of citizenry for social order This readable and well directed analysis of the social and legal context that contributed to the rise of Montana vigilante groups will be of interest to scholars and general readers interested in Western history law and criminal justice for years to come Justice Dillon s book reads like a Western Dillon masterfully sets the stage for the rise of the Montana vigilantes by bringing alive the people who created and lived in mining towns There are heroes villains shady characters and more than a few politicians businessmen lawyers and judges What sets Dillon s book apart from historical texts and fictional tales is that he provides legal analyses and explanations of the trials sentences due process and

procedures of the day And shed s grisly light on the details of the hangings Dillon s unique background as an attorney and judge and his downright dogged research are what makes this complex story so engaging The prose is clear crisp and gets to the point The book is satisfying because it answers contemporary nagging questions about the law regarding the vigilantes and the hangings Gregory Zenon Brooklyn Barrister Dillon s analysis of the vigilantes of Bannack Alder Gulch and Helena in Montana Territory is the most detailed insightful and legally nuanced yet produced This book is a model for historians to follow when dealing with 19th century criminal proceedings Establishing historical context includes examining the laws in books as well as the law in action Gordon Morris Bakken Great Plains Research **The Montana Vigilantes** Mark C. Dillon,2013-09-15 Historians and novelists alike have described the vigilantism that took root in the gold mining communities of Montana in the mid 1860s but Mark C Dillon is the first to examine the subject through the prism of American legal history considering the state of criminal justice and law enforcement in the western territories and also trial procedures gubernatorial politics legislative enactments and constitutional rights Using newspaper articles diaries letters biographies invoices and books that speak to the compelling history of Montana s vigilantism in the 1860s Dillon examines the conduct of the vigilantes in the context of the due process norms of the time He implicates the influence of lawyers and judges who like their non lawyer counterparts shaped history during the rush to earn fortunes in gold Dillon s perspective as a state Supreme Court justice and legal historian uniquely illuminates the intersection of territorial politics constitutional issues corrupt law enforcement and the basic need of citizenry for social order This readable and well directed analysis of the social and legal context that contributed to the rise of Montana vigilante groups will be of interest to scholars and general readers interested in Western history law and criminal justice for years to come Montana ,2012 North Dakota History ,1997 **South Dakota History** ,1982 **The Publishers' Trade List Annual** ,1992 **Montana Frontier Lawyer** Vivian A.

Paladin,1991 *Crime and Punishment in America* ABC-Clio Information Services,1984 The Cumulative Book Index ,1997 A world list of books in the English language **Book Review Index** ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index Annals of Wyoming ,1983 *Auxiliary Police* Martin A. Greenberg,1984-08-21 Martin Alan Greenberg explores the origins of the two major types of citizen volunteer police auxiliary and reserve and examines the history and current practices of volunteer policing The heart of the book deals with the history of New York City s volunteer police and the inner workings of the New York City Auxiliary Police a subject the author knows intimately from his twelve years experience as a participant observer Greenberg analyzes and evaluates current issues in volunteer policing Based on his findings he projects increased community involvement in volunteer police forces English Westerners' Tally Sheet ,1997 **Great Plains Quarterly** ,1997 **Pacific Northwest Quarterly** ,1996 *An Officer's Perception of the Little Big Horn ; And, A Centennial Expose* Barry Cornish Johnson,C. Lee Noyes,Fraser J. Pakes,1989 Journal of the West Lorrin L. Morrison,Carroll Spear Morrison,1997 Northwest Anthropological Research Notes ,1993 Vol 2 no 1 includes Papers

presented at the first twenty annual meetings of the Northwest Anthropological Conference 1948 1967
