the middle of a large group of war veterans at a reunion that she diligently attended every year Some of these soldiers were from the Indiana 23rd Regiment the men whom she nursed and with whom she marched and fought These soldiers fiercely advocated for her Civil War nurse s pension in the 1890s Her story is remarkable a journey from enslavement in Tennessee to freedom and service among the ranks of the Union Army and finally to independence and national recognition from the press the Grand Army of the Republic and even Congress Despite harrowing obstacles and unimaginable pain Lucy achieved notoriety nobility and self sufficiency in a post Civil War era that often denied Black Americans and women justice and opportunity
