**Rough Guides**

## Monets House:

**Monet's House at Giverny** Bob Hersey, Gerald Van der Kemp, 1999 Assortment of carousel booklet and card pieces relating to the art and garden of Claude Monet at Giverny France     [Monet's House](#) Heide Michels, Guy Bouchet, 1997 Claude Monet was as meticulous in the decoration of his family home at Giverny as he was about the planting of its world famous garden. Each year thousands of visitors come to the house and gardens restored just as they were in the house's heyday and decorated according to Monet's revolutionary views on colour and light. As she moves through the house the author describes the mealtime rituals of the yellow dining room, the studio where Monet worked and entertained, and the family activities that animated the blue room. She also opens the door to rooms not normally seen by the public, like the bedrooms and the cellar where wine was bottled and fruit preserved. The book focuses on authentic decorative touches including furniture, fabrics, paint swatches, tiles, and china. This is a companion volume to Monet's *Garden Through the Seasons at Giverny*.     **Monet** Jackie Wullschlager, 2024-09-24 A groundbreaking look at the life and art of one of the most influential modern painters of the late nineteenth century and founder of the Impressionist movement. Wullschlager emerges with a strikingly different picture of the artist. Passionate, prickly, edgy, and unstable, her Monet is the unrecognizable Monet. He is a powerful new character in art. The Sunday Times London Drawing on thousands of never-before-translated letters and unpublished sources, this biography reveals dramatic new information about the life and work of one of the late nineteenth century's most important painters. Despite being mocked at the beginning of his career and living hand to mouth, Monet risked all to pursue his vision and his early work along the banks of the Seine in the 1860s and 70s would come to be revered as Impressionism. In the following decades he emerged as its celebrated leader in one of the most exciting cultural moments in Paris before withdrawing to his house and garden to paint the late Water Lilies, which were ignored during his lifetime and would later have a major influence on all twentieth-century painters, both figurative and abstract. This is the first time we see the turbulent life of this volatile and voracious man who was as obsessed by his love affairs as he was by nature. He changed his art decisively three times when the woman at the center of his life changed. Wullschlager brings these unknown, passionate, and passionately committed women to the foreground. Monet's closest friend was Prime Minister Georges Clemenceau; strong intellectual currents connected him to writers from Zola to Proust, as well as to his friends Manet, Renoir, and Pissarro. Brilliant and absorbing, this biography will forever change our understanding of Monet's life and work.

**Brittany and Normandy** Greg Ward, 2003 This guide to Brittany and Normandy now in its 8th edition contains a full colour introduction section that includes pre-trip information and a colour photograph section of the region's highlights from Monet's garden at Giverny to the Bayeux tapestry.
