## **Monogamy Myth:**

The Monogamy Myth Peggy Vaughan,2009-08-18 One of the most valuable survival guides for men or women recovering from a partner's affair Featured on Oprah 48 Hours CNN Fox News and in USA Today In this landmark book Peggy Vaughan helps us to understand the stages of suspicion confrontation and the healing process necessary to recover including rebuilding self esteem the marriage divorce dilemma and seeking professional help Packed with practical time tested advice and successful strategies this authoritative guide reveals You are not alone estimates are that at least 60 percent of men and 40 percent of women will have an extramarital affair People from all walks of life have affairs devoted parents religious individuals regardless of income or social class Our society contributes to the prevalence of affairs An affair does not mean the end of a marriage Recovery is fueled by honest open discussion of the affair Substantiated by case studies ongoing research and the author's own experience this updated third edition includes information on the role of the Internet in relationships shares the words of others who are recovering from affairs and describes the six step program for establishing communication between partners that can actually prevent affairs *The Monogamy Myth* Peggy Vaughan,1989 Based on ten years of research and hundreds of interviews this book reveals the complex reasons why people have affairs discusses the stages of discovery and coping the marriage divorce dilemma and how to seek professional help The Monogamy Myth

Peggy Vaughn,1991-06-01 **The Myth of Monogamy** David P. Barash,Judith Eve Lipton,2002-05 Applying new research to sex in the animal world the authors dispel the notion that monogamy comes naturally As *The Myth of Monogamy* reveals biologists have discovered that for nearly every species cheating is the rule for both sexes *Reconciliation* Michael S.

Moore,1994 This book shows how family life has always been difficult and reveals that the hope for families comes from understanding that the power of God works to resolve problems **Monogamy Myth** Fiona Liu,2024-07-08 Discover the

truth behind monogamy and explore the world of open relationships in *Monogamy Myth Exploring Open Relationships* by Fiona Liu This comprehensive guide breaks down societal expectations debunks myths and provides practical advice for navigating ethical non monogamy From communication strategies to managing emotions this book empowers readers to embrace diverse relationship structures and find fulfillment in their own terms *The Monogamy Myth* Peggy

Vaughan,1991 **Sourcebook of Family Theories and Methods** Pauline Boss,William J. Doherty,Ralph LaRossa,Walter R.

Schumm,Suzanne K. Steinmetz,2008-11-19 Origins We call this book on theoretical orientations and methodological strategies in family studies a sourcebook because it details the social and personal roots i.e. sources from which these orientations and strategies flow Thus an appropriate way to preface this book is to talk first of its roots its beginnings In the mid 1980s there emerged in some quarters the sense that it was time for family studies to take stock of itself A goal was thus set to write a book that like Janus would face both backward and forward a book that would give readers both a perspective on the past and a map for the future There were precedents for such a project The Handbook of Marriage and the Family

edited by Harold Christensen and published in 1964 the two Contemporary Theories about the Family volumes edited by Wesley Burr Reuben Hill F Ivan Nye and Ira Reiss published in 1979 and the Handbook of Marriage and the Family edited by Marvin Sussman and Suzanne Steinmetz then in production To Have and To Hold Peggy Vaughan, 2024-05-21 From the author of The Monogamy Myth an essential guide written specifically for married couples to strengthen their relationship and prevent affairs Based on Peggy Vaughan's 30 years of work with married couples and the issue of affairs this new handbook challenges the assumption that monogamy can be taken for granted and provides the tools for building a strong marriage and preventing affairs Explaining the need to focus on preventing affairs before there is any threat to a marriage she draws on her survey of 755 people regarding their beliefs to present What Won't Work and What Will Work to prevent affairs Throughout To Have and to Hold Vaughan details specific strategies and techniques emphasizing that Relying on attitudes and beliefs is not sufficient to maintain a monogamous relationship over a lifetime Focusing on actions and behaviors is far more significant to strengthen a relationship Responsible honesty is the single most important factor in preventing affairs Everybody society as a whole plays a role in supporting couples efforts to maintain monogamy Parents have a special responsibility to break the pattern for future generations Four appendices present Vaughan's survey questionnaire along with detailed breakdowns of responses A Marriage of Equals Catherine E. Aponte, 2019-05-28 Negotiating collaboratively in your committed relationship is a new way to achieve individual and marital goals to resolve differences equitably to manage conflicts to create and sustain a satisfying sex life to figure out where you stand on fidelity to think about having and caring for kids and to have committed careers and a satisfying family life Negotiating collaboratively supports you and your partner seeing yourselves simultaneously as individuals and as a couple enhances the sense of being in this together while also having individual life plans Negotiating collaboratively supports valuing each other as individuals before seeing each other as husband and wife and allows modern couples to challenge old gender trappings that can undermine the achievement of balance in a committed relationship Straightforward and accessible A Marriage of Equals offers couples a road map for how to negotiate collaboratively around the most essential aspects of a committed relationship and in doing so create the equitable marriage they long for **The Decisions to Open a Relationship** James K. Beggan, 2023-09-11 The unique contribution of The Decisions to Open a Relationship To Three or Not to Three is how James K Beggan considers the social and psychological processes involved in how someone makes the decision to transition from a monogamous to a consensually nonmonogamous relationship Informed by extensive research drawn from sociology psychology and the decision making literature Beggan provides a comprehensive analysis of processes associated with expressing the desire to open a previously closed romantic relationship with special emphasis on the unique dynamics of the triad His analysis provides valuable insights into managing jealousy maintaining trust and establishing healthy boundaries He examines moral issues associated with breaking the promise of a monogamous relationship to satisfy goals related to personal growth The book addresses

issues related to intersectionality that involve sexual orientation gender identity and race     Through a Glass Brightly David P. Barash,2018-07-02 Human beings are important especially to themselves But as science advances it has become increasingly clear that we are less special and more natural than many people have long believed This book shows how science has throughout time cut humanity down to size and how humanity has responded As we finally look at ourselves honestly and accurately we can identify ourselves as wonderfully natural inseparable from the universe and other living things     **Encyclopedia of Anthropology** H.
