Mastering The Chess Openings:

Mastering the Chess Openings John Watson,2008 For many chess players opening study is sheer hard work In this highly acclaimed series Watson helps players achieve a more holistic and insightful view of the openings by explaining not only the ideas and strategies but also the interconnections of chess openings in general **Mastering the Chess Openings** John Leonard Watson,Graham K. Burgess,2006

A Strategic Chess Opening Repertoire for White John L.

Watson,2012 Such has been the acclaim for John Watson s ground breaking works on modern chess strategy and his insightful opening books that it is only natural that he now presents a strategic opening repertoire It is the chess player s holy grail a flexible repertoire that gives opponents real problems but doesn t require masses of memorization or continual study of ever changing grandmaster theory While this book can t quite promise all of that Watson offers an intriguing selection of lines that give vast scope for over the board creativity and should never lead to a dull draw The repertoire is based on 1 d4 and 2 c4 following up with methodical play in the centre Watson uses his vast opening knowledge to pick cunning move orders and poisonous sequences that will force opponents to think for themselves providing a true test of chess understanding Throughout he discusses strategies for both sides so readers will be fully ready to pounce on any inaccuracies and have all the tools to decide on the most appropriate plans for White
