burlesque slapstick and sublime insight that characterize his films Explains how one must see beyond the words of the story to grasp the spiritual insights they contain Before he became the film maker and graphic novel author known throughout the world today Alejandro Jodorowsky studied with Zen master Ejo Takata in Mexico City In *The Finger and the Moon* Jodorowsky recounts how he became Takata's student and offers his interpretations of the teaching tales initiatory stories koans and enigmatic haikus he learned at the feet of his great and humble teacher Blending the same burlesque slapstick and sublime insight that characterize his films such as *El Topo* and *The Holy Mountain* each story is accompanied by the author's lucid and penetrating commentary as well as insights from ancient Zen teachers Yet their most significant gift to the reader is the sudden shock of realization they impart that can lead to spiritual awakening Jodorowsky notes that most people are incapable of self realization because of their fear of the void within an emptiness they seek to fill with noise and chatter He shows that Zen teachings can be compared to a finger pointing at the moon directing you to awaken to your true nature the Buddha within The danger lies in mistaking the pointing finger for the moon mistaking the words for the essential enlightenment which can only be grasped once words have been surpassed Unlike most tales these stories are intended to evoke silent illumination as true awakening and self realization cannot occur until the mind has been stilled *Starfist: Wings of Hell* David Sherman, Dan Cragg, 2008-12-30 Planet Haulover has been invaded by Skinks Until now the aliens existence has been hushed up But Force Recon's shocking report leaves the Confederation no choice but to mount a military campaign against these alien predators bent on human destruction Meanwhile back home the Confederation's president is being denounced as a warmonger out to exterminate harmless aliens If she loses the upcoming elections the Confederation will have a lot more Skinks to worry about than the ones on Haulover Newly promoted Lieutenant Charlie Bass and his third platoon have more pressing concerns such as staying alive But what would be a suicide mission for most whether it's raiding a hidden Skinks base or destroying the enemy's most lethal weapons during a desperate firefight is just another job for the Thirty fourth FIST **A Treatise on White Magic; Or** Alice Bailey, 1951 **The N.E.S.F.A.
