

CHAPTER FOUR
**Maternal
Instincts**

Maternal Instincts

Scott C. Dulebohn

Maternal Instincts:

Mother Nature Sarah Blaffer Hrdy, 1999 We are tempted to think of maternal instinct as a quality a woman has or lacks. But the belief that mothers instinctively nurture their offspring one of the West's most cherished ideals and a view widely accepted even in scientific circles has become increasingly controversial. Mother Nature presents a radical new way of understanding how mothers act and why and how this new understanding is changing the way scientists think about how evolution works. Drawing on anthropology, history, literature, developmental psychology, and animal behavior, Sarah Hrdy examines the distinct biological and genetic elements that constitute maternal instinct. She strips away the biases implicit in conventional stereotypes of female nature to give us very different and provocative perspectives on maternal ambivalence, the links between maturity and ambition, mother love and sexual love, and why age-old tensions between the sexes persist and are being played out today in efforts to control women's reproductive choices. Combining decades of research with her own experience as a mother, Hrdy makes clear in this remarkable book what it means from a historical and evolutionary perspective to be a mother and explains how this knowledge has transformed our understanding of human development and behavior.

Maternal Instincts Ann Sumner Holmes, Claudia Nelson, 1997-12-13 *Maternal Instincts* brings together seven new essays exploring conflicting visions of motherhood and sexuality in a period during which both terms were undergoing radical change. Representations of both concepts mutated to accommodate different cultural contexts and individual ideologies. Drawing upon sources including literature, film, medical handbooks, popular science, and legal records, the articles collected here construct a vision of motherhood as alternately idealized, discredited, and fragmented by virtue of its connection with sexualities licit and illicit.

[Maternal Myths: An Exploration of Motherhood and Grandmothers in Global Legends](#) Ashlee Anderson, Delve into the enchanting world of myths and legends from diverse cultures as we explore the timeless themes of motherhood and grandmothers. From the nurturing figures of Mother Earth to the wise and powerful grandmothers of folklore, this book takes you on a journey through the lens of matriarchal figures in ancient stories. Discover how these maternal figures have been revered, feared, and celebrated throughout history, shaping cultural beliefs and values around the world. Through captivating stories and insightful analysis, *Maternal Myths* examines the roles of mothers and grandmothers in mythology, folklore, and legend. Explore the universal themes of love, sacrifice, guidance, and resilience as portrayed through the divine mothers of ancient pantheons and the magical grandmothers of fairy tales. Uncover the complexities of motherhood from protective maternal instincts to the transformative power of grandmothers as guardians of wisdom and tradition. From the Greek goddess Demeter grieving for her daughter Persephone to the Chinese goddess Nuwa creating humanity, each myth and legend offers a unique perspective on the sacred bond between mothers and their children. Travel across continents and epochs from the Celtic legends of grandmotherly healers to the African myths of nurturing mother deities, unveiling the rich tapestry of maternal figures in global folklore. *Maternal Myths* also explores the evolution of

motherhood and grandmothers in contemporary storytelling from modern retellings of ancient myths to the portrayal of maternal figures in literature film and popular culture Gain new insights into the enduring legacy of maternal archetypes and the enduring impact of these characters on our collective imagination With beautiful illustrations and thought provoking analysis **Maternal Myths** offers a fresh and illuminating perspective on the depiction of mothers and grandmothers in myths and legends from around the world Whether you are a mythologist a folklore enthusiast or simply curious about the cultural significance of maternal figures this book is a must read for anyone interested in the enduring power of matriarchal storytelling

Maternal Instincts and the Matrix of Nation Celena E. Kusch,2002

Women Teachers and Feminist Politics, 1900-39 Alison Oram,1996 Women teachers were key players in twentieth century feminism They fought for women s suffrage before the First World War and continued their vigorous campaigns for equal pay equal promotion opportunities and abolition of the marriage bar into the less promising political environment of the 1920s and 1930s This book is the first to offer a detailed assessment of why women teachers were so politically active and makes an important contribution to the literature on women s politicisation Drawing on interviews with women teachers in state elementary and secondary schools as well as the records of teachers associations and central and local government it explores the tensions in the relationship between their position at the workplace and their family lives and unravels the connections and dissonances between how they saw themselves as both women and professional teachers

Uncovering the Act of Maternal Infanticide from a Psychological, Political, and Jungian Perspective Brooke Laufer,2024-07-02 Using a wide range of disciplinary

backgrounds Laufer examines the topic of maternal infanticide through the lens of Jungian theory and presents an integrated and forensic view of this issue as an aggregate of personal and political moments and as a feminine and feminist outcry urging human evolution The first part of the book will dissect the identity of the infanticidal mother and the Death Mother archetype with the author providing firsthand accounts of patients that she has worked with in her professional career The second part of the book focuses on interpreting that act of maternal infanticide and these chapters will look to the construct of patriarchal Motherhood as a way of explaining the drive and actions of an infanticidal mother The third and final section of the book takes the concept of evolution and transmutation a step further and addresses what is required in our modern state for the event of maternal infanticide This is an important new book for Jungian and analytic clinicians and scholars with an interest in maternal archetypes as well as psychologists and psychiatrists who specialize in perinatal mental health It would also be appropriate for forensic psychologists and legal analysts and academics and clinicians in the fields of women s health and studies

Child Development Jean Mercer,2010 With its emphasis on critical thinking about child development Mercer s text is unique and timely Mercer has done an admirable job in selecting and tackling the topics that she does Nancy Dye

Humboldt College A wonderful way to look more deeply into issues in child development Sarah Jane Anderson Mount Ida College In Child Development Myths and Misunderstandings intriguing vignettes and questions about children and families

encourage readers to think critically about the logic of common beliefs and about the implications of relevant psychological research It reviews 51 common beliefs or myths about child development and discusses their logic and whether there is good research evidence to support them Readers can use Child Development Myths and Misunderstandings to learn how to tell child development facts from child development myths on their own in the classroom or in association with distance learning courses

Maternal Instincts Beth Henderson,2001 *Maternal Instincts* by Beth Henderson released on Jun 24 2000 is available now for purchase *The Journal of Educational Sociology* ,1927 *Sociology of Education* ,1927 Provides a forum for studies in the sociology of education and human social development It publishes research that examines how social institutions and individuals experiences within these institutions affect educational processes and social development Such research may span various levels of analysis ranging from the individual to the structure of relations among social and educational institutions The journal presents a balance of papers examining all stages and all types of education at the individual institutional and organizational levels **The New Era** ,1921 *Anthropologia, in which are included the proceedings of the London anthropological society [ed. by R.S. Charnock and others]*. London anthropological society,

and 2 Charles Staniland Wake,1878 **Pennsylvania School Journal** ,1909 *The Pennsylvania School Journal* Thomas Henry Burrowes,James Pyle Wickersham,Elnathan Elisha Higbee,David Jewett Waller,Nathan C. Schaeffer,John Piersol McCaskey,Thomas Edward Finegan,James Herbert Kelley,1908 **Hospital Social Service Quarterly** ,1923 *Hospital Social Service* ,1923 **Darwinism and what it Implies** Sir Arthur Keith,1928 **British Medical Journal** ,1927 *Mental Evolution in Animals* George John Romanes,1883

Unveiling the Power of Verbal Artistry: An Mental Sojourn through **Maternal Instincts**

In a world inundated with displays and the cacophony of fast transmission, the profound power and mental resonance of verbal artistry often fade into obscurity, eclipsed by the regular onslaught of noise and distractions. Yet, situated within the musical pages of **Maternal Instincts**, a fascinating function of fictional elegance that impels with raw feelings, lies an memorable journey waiting to be embarked upon. Written by a virtuoso wordsmith, this enchanting opus courses viewers on a psychological odyssey, softly exposing the latent potential and profound impact stuck within the complicated web of language. Within the heart-wrenching expanse of this evocative examination, we can embark upon an introspective exploration of the book is central subjects, dissect their captivating writing type, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
