how to read spreads This book takes the next logical step inward by presenting the art of reading in a workbook format and helps you learn to interpret the cards intuitively The book falls into two parts The first part concerns learning about the cards and includes exercises for each card that teaches you to trust your interpretation of the card The second part helps you develop that ability a skill that Reed calls intuition All the exercises stories card meanings and techniques really serve one purpose to go beyond learning Tarot to living it It s not enough to memorize the meanings of the cards and you can t do a reading with a workbook at your side forever In order to deliver a meaningful accurate tarot reading you need to hone your intuition Without a comfortable connection to your sixth sense the tarot readings lack finesse and becomes nothing more than cookie cutter interpretations When you re fluent in your intuition you can develop better readings and unique interpretations for each person In this book Reed teaches by example She presents the basics of intuitive tarot reading reading without any questions any backstory anything to go on This book is filled with exercises to hone your intuition and sharpen your interpretation skills

**Mastering the Tarot** Michael Summerfield Stone, 2016-07-24 OH no not another tarot course Well rest easy I promise this will not be like any other tarot program you have studied It will take an ordinary reading and turn it into a powerful life changing experience The premise of what you are about to study is relatively simple it is based on a professional nine card spread each position in the spread having relative meaning to the life of the client or searcher While the spread itself is deceptively simple the readings that can be derived from it can go deeper than you might first imagine and can indeed be life changing This is why the spread and the material that goes with it are considered excellent tools for counseling with the tarot Ever been to a psychic spiritualist or tarot reader in need of real advice and solutions only to have the reader tell you nothing or give some vague answer that applies to anything and anyone have you ever been that reader wishing you could do more for your clients actually help and assist them create new ways for the client to see things do things and help them find real solutions to life s issues Have you ever wanted your clients to return not just because you are offering guidance but because that guidance actually has value changes lives making a difference That s what tarot reading should be about If you really want to make a difference and a full career of reading the tarot then this is the best starting place You will no longer be giving readings you will be taking sessions with clients you will change lives perceptions and the results people get in relationships career finances and a host of other areas You will not be just a reader you will be a life counselor a life coach a confidant applying principles of psychotherapy psychology and other modalities that will elevate you and your work from normal to exceptional Book one of the course takes you through the reading format the basics of counseling and psychotherapy and applying that information to your readings in new ways This work is going to change the way you read the tarot the way you do your spreads your levels of intuition and the depth you get from your readings It will elevate you from the casual amateur part time reader to a professional level even if you never wish to become fully professional your readings will change if you are a professional it will leave your clients with an astounding feeling of

connection and results results they can take away with them and use The examples given are based on a nine card spread however with just a little thought the methods can be adapted to any other professional spread The methods enable you to bring cognitive counseling into your readings There is no reason to use the system verbatim it is a guide that enables you to improve your readings dynamically offer good advice and help with many of the personal issues that client s come to readings for
