

# Mastering your **MIGRAINE**

Foreword by Professor Paul Turner  
and Derek R. Mullis

With over 10 million migraine sufferers in the UK, this book is the first to offer a practical, step-by-step guide to the prevention and control of this most common of all headache disorders. It is based on the latest scientific research and clinical experience, and is packed with practical advice and tips for managing your migraine. The book covers all aspects of migraine, from the causes and triggers to the most effective treatments. It includes a range of practical tools and techniques to help you manage your migraine more effectively, including a 12-week self-help programme, a migraine diary, and a range of relaxation and stress-management techniques. Whether you are a migraine sufferer yourself or know someone who is, this book is an essential guide to managing this common and often debilitating condition.
