BACK COVER

Mind Sciences Todd Ehrenborg, 2016-09-06 Is evil a state of mind that can be changed Is there a latent divinity in us all Is there a personal God The answers to these questions given by the mind sciences groups such as Christian Science Religious Science and the Unity School of Christianity are not the same ones given by orthodox Christianity Moreover these mind sciences appeal to many people who seek cures to illness that conventional medicine and Christianity do not offer Can we put our trust in them Why this series This is an age when countless groups and movements old and new mark the religious landscape in our culture leaving many people confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully these books

provide essential information and insights for their spiritual journeys Each book has five sections A concise introduction to the group An overview of the group s theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood **Breath to Consciousness** Sistar Julia,2014-09-02 This novella passes on knowledge as a reminder to be a conscious being The memoir begins with a catalyst that possessed me on my soul journey It happened at a Bob Marley and The Wailers reggae concert in Sydney Australia in 1979 when I was fifteen The hypnotic music lyrics Rastafarian culture and herbs of wisdom had the effect of heightening my states of consciousness This powerful experience led me to explore In order to try to understand this force I had to go back to my roots my family history I began to examine and place pieces of my life together like a jigsaw puzzle I took a physical outward journey in a time when there was no instant society I traveled to the Caribbean and beyond where I encountered and reasoned with Rastafarians Simultaneously I discovered I was on an inward spiritual journey that was growing in strength through biblical and metaphysical readings I was transforming my existence and my way of lifemetamorphism As an enlightened spirit in the fleshnow with a child to rearI had to share this wisdom I had discovered the essence of faith and I endeavored to not get caught up in the Babylonian system and the cycles of a routine life The grass isnt always greener on the other sideit just may be a bit different This is a thought provoking and deeply personal story **Unity [devoted to Practical Christianity]**

,1930 **Inside the Light** Ellen Wallace Douglas,2017-11-02 But choose the spirit and all Heaven bends to touch your eyes and bless your holy sight that you may see the world of flesh no more except to heal and comfort and to bless ACIM T 31 VI 1

8 **How a "Truth Student" Came to Know the Truth** Taylor Bassett,2021-07-02 Here s the most important question you ll ever answer Of the sum total of your Christian knowledge what percentage of it is owing to what somebody told you the Bible said and what percentage is owing to what you ve personally read in context for yourself Your answer to that question will determine how susceptible you are to being deceived by cults false teachings and false religions leading to a false worldview and eventually eternal damnation I know I was lost and blind and I believed I knew the truth But for the grace of God all that I was taught and believed would have destroyed me Here s the story of how I practiced the deadly deception of the New Age yet was mercifully rescued from damnation by God himself unto forgiveness salvation and eternal life **The Revealing Word** Charles Fillmore,2025-08-26 Including a thematical annotation on the modern views on metaphysics This book is the ultimate biblical reference for metaphysical terms from A to Z or from abate to zeal Everything you will ever need to know or want to know is now ready for discovery Echoes of the Eternal is a monumental series that brings together the defining texts of the world s spiritual religious and mythic heritage From the sacred scriptures of Christianity Islam Buddhism Hinduism Judaism and other global faiths to the mystical writings of saints and sages the myths

of ancient civilizations and the arcane literature of secret societies and occult traditions this collection explores the full spectrum of humanity's search for the divine the mysterious and the transcendent Each volume shapes spiritual consciousness and cultural identity across time Whether it is the poetic wisdom of the Bhagavad Gita the visionary revelations of the Qur'an the esoteric allegories of the Kabbalah the shamanic myths of indigenous peoples or the secret doctrines of the Rosicrucians and Freemasons this series reveals how humans have long sought to explain existence destiny and the unseen forces of the cosmos The National Union Catalog, Pre-1956 Imprints ,1975 "A" *New English Dictionary on Historical Principles* James Augustus Henry Murray,1908
