Material Culture Kenneth L. Ames, 1985      **Material Culture: Oxford Bibliographies Online Research Guide** Robert DuPlessis, 2010-06 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated This ebook is just one of many articles from Oxford Bibliographies Online Atlantic History a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of Atlantic History the study of the transnational interconnections between Europe North America South America and Africa particularly in the early modern and colonial period Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www.oxfordbibliographies.com](http://www.oxfordbibliographies.com)      **Material culture** ,2000      **History through material culture** Leonie Hannan, Sarah Longair, 2017-04-20 History through material culture is a unique step by step guide for students and researchers who wish to use objects as historical sources Responding to the significant scholarly interest in historical material culture studies this book makes clear how students and researchers ready to use these rich material sources can make important valuable and original contributions to history Written by two experienced museum practitioners and historians the book recognises the theoretical and practical challenges of this approach and offers clear advice on methods to get the best out of material culture research With a focus on the early modern and modern periods this volume draws on examples from across the world and demonstrates how to use material culture to answer a range of enquiries including social economic gender cultural and global history      **Southwest Native American Arts and Material Culture** Nancy J. Parezo, Ruth M. Perry, Rebecca Allen, 1991      Material Culture Kenneth L. Ames, 1985      *The Politics of the Artificial* Victor Margolin, 2018-01-11 Emerging from the world of commercial art and product styling design has now become completely integrated into human life Its marks are all around us from the chairs we sit on to the Web sites on our computer screens One of the pioneers of design studies and still one of its most distinguished practitioners Victor Margolin here offers a timely meditation on design and its study at the turn of the millennium and charts new directions for the future development of both fields Divided into sections on the practice and study of design the essays in *The Politics of the Artificial* cover such topics as design history design research design as a political tool sustainable design and the problems of design's relation to advanced technologies Margolin also examines the work of key practitioners such as the matrix designer Ken Isaacs Throughout the book Margolin demonstrates the underlying connections between the many ways of reflecting on and practicing design He argues for the creation of an international interdisciplinary field of design research and proposes a new

ethical agenda for designers and researchers that encompasses the responsibility to users the problems of sustainability and the complicated questions of how to set boundaries for applying advanced technology to solve the problems of human life

Opinionated and erudite Victor Margolin's *The Politics of the Artificial* breaks fresh ground in its call for a new approach to design research and practice Designers engineers architects anthropologists sociologists and historians will all benefit from its insights

[Living History in the Classroom](#) Lisa L. Heuvel, 2020-10-19 Many educators want to use historic characters in the classroom but lack strategies and resources The types of questions they ask are answered in *Living History in the Classroom* Performance and Pedagogy by outstanding content experts with practical insights into performance public history and education

[Action Research Methods](#) S. Klein, 2012-06-18 In *Action Research Methods* the authors acknowledge that the methodology component is where most of the struggle and confusion lies with students in research methods courses The overall aim is to assist master's level education students with practical and theoretically grounded approaches to the action research process

*History Museums in the United States* Warren Leon, Roy Rosenzweig, 1989 Every year 100 million visitors tour historic houses and re-created villages examine museum artifacts and walk through battlefields But what do they learn What version of the past are history museums offering to the public And how well do these institutions reflect the latest historical scholarship Fifteen scholars and museum staff members here provide the first critical assessment of American history museums a vital arena for shaping popular historical consciousness They consider the form and content of exhibits ranging from Gettysburg to Disney World They also examine the social and political contexts on which museums operate
