### LAZY JACK

Read the story below.

Once upon a time there was a boy whose name was Jack, and he lived with his mother. The old woman got her living by spinning, but Jack was so lazy. So they called him Lazy Jack. "You boy," said his mother, "you should have put it in your pocket." "I'll do so another time," replied Jack. The next day, Jack hired himself to a cow keeper, who gave him a jar of milk for his day's work. Jack put the jar into the large pocket of his jacket, spilling it all, before he got home. "Dear me!" said the old woman; "you should have carried it on your head." "I'll do so another time," said Jack. He hired himself to a farmer, who gave him a cream cheese. **Second Grade Success with Sight Words (Sylvan Workbooks)** Sylvan Learning, 2011-03-08 A solid foundation of reading skills is essential for children to become successful readers. Learning basic sight words is a critical step in building that foundation. The activities in this workbook are designed to help your child catch up, keep up, and get ahead, and best of all, to have lots of fun doing it. Here are some of the great features you'll find inside: I'm Thinking of a Word: Can you find the mystery word? Children read clues and cross out words that don't match the clues. Then they circle and write the mystery word. Spell Check: Children circle misspelled words in an e-mail about places to go and things to do, and then practice writing these words correctly. Fix the Dictionary: Words are missing from a dictionary page. Children review sight words by matching the missing words to their correct definitions. Word Hunt: Children enjoy this popular game hunting for sight words across and down in a jumble of letters, and then writing the words they find. Title Time: Some books are missing a word from their titles. Children write the correct noun, verb, or adjective to complete the book cover.
