There are many problems to be solved yet by hoping to solve many you solve none. There is much data available yet you fly blind without critical insights. Take control. Supercharge productivity and profitability of your business with ADVANCE. ADVANCE provides 12 essential elements with instructions, frameworks, and templates to help implement, unlock focus, and shift your business journey to excellence. You will learn how to harness your limited resources to propel your business. Identify, prioritise, and solve critical problems to unlock latent capacity. Take effective action, track vital progress, and deliver real results. Develop the influential capabilities of your team. Getting effective traction in businesses is a challenge. By implementing the 12 essential elements in ADVANCE, you can expect increased agility and integrated alignment with your business's strategic plan and improved accountability and intensified awareness with your key team members to supercharge productivity year on year. ADVANCE is your paint-by-numbers Operational Excellence guide. About the Author: Ishan Galapathy, BEng, UNSW MBA, Six Sigma Black Belt, is a productivity thought leader, author, speaker, and mentor renowned for his simplified techniques. He has more than two decades of experience with multinational companies within Asia Pacific. Through productivity improvement and frontline leadership development programs, Ishan helps manufacturing businesses move from Chaos to Excellence™. Reviews: Very insightful. ADVANCE addresses our current priorities in an interactive way. The suggested elements within the ADVANCE framework are impactful and very practical. They are designed not only for a supply chain audience but for everyone who wants to improve productivity and efficiency within their business model. Alexandra Riha, President and Board Chairperson, Australasian Supply Chain Institute (ASCI). It is refreshing to read a book that integrates global insights on Operational Excellence (OpEx) with a uniquely Australian perspective. ADVANCE is a handy practical guide for organisations wanting to embark on an OpEx journey or refine what they have. Barry McCarthy, President, Association for Manufacturing Excellence (AME) Australia. ADVANCE provides a simplified framework for supply chain businesses in particular to seriously shift their performance through productivity improvements. A practical read without jargon or heavy theory. Joshua Holmes, Chairman, Supply Chain Logistics Association of Australia (SCLAA).

Anglicisms around the Globe Henrik Gottlieb,Anabella-Gloria Niculescu-Gorpin,Alicja Witalisz,Keisuke Imamura,Jaime W.
Hunt,2025-11-14 This collection explores the global impact of English through fact based and contrastive analyses of
different types of Anglicisms across a wide range of languages This volume showcases the ways in which contact induced
language change operates across several different languages simultaneously This approach allows for an examination of
similarities and differences in the adaptation processes of English models in languages with differing phonetic morphological
syntactic and writing systems Drawing on data from the Global Anglicism Database GLAD the first multilingual repository
featuring lexical and phraseological Anglicisms chapters look not only at visible Anglicisms such as augmented reality or easy
listening which reflect their English origin but also at invisible Anglicisms cases in which English expressions are translated
verbatim and cases when words in a recipient language change their meaning due to English influence This volume offers a
multi layered perspective on how Anglicisms develop and blend into different languages and readers are presented with a
nuanced understanding of contact induced language change This book will appeal to students and scholars interested in
