

A top-down view of a gardening workspace. The background is a dark, textured surface, possibly soil or a work mat. Scattered around are various potted plants, including green leafy herbs like basil and mint, and some succulents. Gardening tools, such as a trowel with a wooden handle and a fork, are placed on the surface. There are also some small pots and containers, some filled with soil or plants. The overall scene is organized and ready for gardening.
