National Basketball Association Franchises Frank P. Jozsa Jr.,2017-02-09 This book examines the development and organization of the NBA and its clubs how each club has performed in seasons and postseasons and to what extent each has prospered and succeeded as a business enterprise despite competition for market share from other types of entertainment Each chapter contains two core themes Team Performance and Franchise Business The former highlights how teams won division and conference titles and NBA championships while the latter analyzes and compares financial data including revenue gate receipts and operating income The book also explores such things as when each franchise organized and why it joined the NBA a brief profile of its current majority owner or ownership group records of teams special coaches and players attendances at home games and how their arenas rank as venues for fans This book explains why particular teams located in very large large mid-sized or small markets win more games and titles than others and when and how frequently this occurs In addition it provides ways to individually and by division or conference compare basketball franchises from a financial perspective

**The Digital NBA** Steven Secular,2023-06-20 The National Basketball Association reaches a global audience via a multiplatform strategy that leverages its uncanny ability to connect fans to all things NBA Steven Secular brings readers inside the league's global operations and traces the history of the NBA's approach to sports media from its 1980s embrace of cable through the streaming revolution of the twenty-first century As fans around the world stream games and other league content NBA teams incorporate foreign languages and cultures into broadcasts to boost their product's appeal to audiences in Brazil China and beyond Secular's analysis reveals how the NBA continues to transform itself into a wildly successful media producer and distributor more akin to a streaming studio than the sports leagues of old even as its media partners and sponsors erase any notion of sports as a civic good A timely look at a dynamic media landscape The Digital NBA shows how the games we love became content first and sport a distant second
