__ Praise for New Star Rising

You won't be disappointed if you're looking for a journey into a never explored futuristic world before

It is not a novel that can be skimmed through

Take your time and enjoy the new world that is presented to you

This novel is fascinating for its rich and complex story line set on multiple planets worlds

What an amazing book from start to finish

What is there not to like

I found myself digging into this book and disappointed at the end of it because I wanted more now rather than having to wait for the next book

A complex story line that draws you in then keeps you engaged

Nothing formulaic

Well thought out story

The science fiction components are consistent

Science fiction with real science

LaGrange points

I am so giddy

Roller coaster of a story following fabulous characters who move through varying planet and spacecraft environments whilst always dealing with a war that's not a war

Warring enemies setting each other up to eliminate another enemy

Throw in a neutral entity that does lots of dirty work and this book has all the makings for a great series

__ Cameron Cooper is the author of the Imperial Hammer series an Amazon best selling space opera series among others

Cameron tends to write space opera short stories and novels but also roams across the science fiction landscape

Cameron was raised on a steady diet of Asimov Heinlein Herbert McCaffrey and others
