*The Mormon Hierarchy* D. Michael Quinn, 1997-01-15 The Mormon church today is led by an elite group of older men nearly three quarters of whom are related to current or past general church authorities This dynastic hierarchy meets in private neither its minutes nor the church's finances are available for public review Members are reassured by public relations spokesmen that all is well and that harmony prevails among these brethren But by interviewing former church aides examining hundreds of diaries and drawing from his own past experience as an insider within the Latter day Saint historical department D Michael Quinn presents a fuller view His extensive research documents how the governing apostles seventies and presiding bishops are likely to be at loggerheads as much as united These strong willed independent men like directors of a large corporation or supreme court justices lobby among their colleagues forge alliances out maneuver opponents and broker compromises There is more clandestine political activities investigative and punitive actions by church security forces personal loans from church coffers later written off as bad debts and other privileged power vested activities Quinn considers the changing role and attitude of the leadership toward visionary experiences the momentous events which have shaped quorum protocol and doctrine and day to day bureaucratic intrigue from the time of Brigham Young to the dawn of the twenty first century The hierarchy seems at root well intentioned and even at times aggressive in fulfilling its stated responsibility which is to expedite the Second Coming Where they have become convinced that God has spoken they have set aside personal differences offered unqualified support and spoken with a unified voice This potential for change when coupled with the tempering effect of competing viewpoints is something Quinn finds encouraging about Mormonism But one should not assume that these men are infallible or work in anything approaching uninterrupted unanimity Marriage Connections Greg Laurie, 2002 Sixty short devotions offer married couples sound biblical principles about marriage and practical ways to apply God's Word to their own relationships Each devotion provides a great starting point for couples to enhance their communication and enrich their marriages Malachi's Understanding of Unfaithfulness in Covenantal Marriage Relationships Stephen Oluwarotimi Y. Baba, 2025-10-31 Biblical values are true for every age Yet under increasing influence from political economic and cultural spheres covenantal marriage has seemingly lost its significance in the eyes of the world As it stands God's design for marriage is overlooked in favour of unfaithful practices and frivolous divorces How can Malachi's teaching on covenantal dynamics speak into this pressing issue Countering this deterioration Dr Stephen Oluwarotimi Y Baba proffers a biblical solution to covenantal marriage discussions through literary and exegetical examinations of Malachi 2 10 16 Exploring the pastoral implications of the text for the contemporary body of Christ Dr Baba reveals the inherent dangers of unfaithfulness in marriage unions In doing so he argues that God's goal in Malachi is restoring the original glorious and eternal institution of marriage to its mirror the marriage of God to His people Outlining the biblical ethical values of marriage as covenant this work offers a developed theological understanding of marital

unfaithfulness for academic and church communities seeking fresh insight on the topic      Choices in Relationships David Knox, Caroline Schacht, I. Joyce Chang, 2023-05-09 Choices in Relationships takes readers through the lifespan of relationships marriages and families and utilizes research to help them make deliberate informed choices in their interpersonal relationships Drawing on extensive research authors David Knox Caroline Schacht and I Joyce Chang challenge students to think critically about the choice making process consider the consequences involved with choices view situations in a positive light and understand that not making a choice is a choice after all The Fourteenth Edition features over 1000 new citations increased emphasis and discussion of diversity and inclusion throughout each chapter and the impact of the COVID 19 pandemic on individuals couples and families      *Proper Peasants* Tamas Hofer, 2017-09-04 Based on an intensive fourteen year study of a Hungarian peasant village Proper Peasants greatly expands our knowledge of Eastern European social organizations with its accurate portrayal of a rapidly vanishing peasant way of life Centering on the village of t ny in central Hungary the study presents a dramatic account of peasant life through the turbulent centuries It is based largely upon evidence given by villagers themselves and is a moving human story of a community with a tragic historical background and a complex demanding present Edit F l and Tam s Hofer begin by locating t ny within the historical geographical and cultural context of Hungary as a whole The following chapters describe units of social organization and the human relationships within and among these units There is a special analysis of stratification and mobility within the changing structural situations of the past hundred years Objective information about all the dimensions of village life is obtained from a comparison of t ny with nearby villages and from the use of local records The book portrays the attempts of the community to classify organize and understand the universe within which lives and to control the unexpected and varied demands that have been made upon it by changing circumstances This work makes excellent use of the strong 150 year tradition of ethnographic research in Hungary The discussion of the warm personal relationships among the t ny people is supplemented with extensive statistical material on demographic processes economic structure and stratification The picture that results is rich and fruitful particularly so in a post communist nation      **Portrait of a Community** Hugh R. Clark, 2007 Portrait of a Community examines emerging kinship structures as embedded in the social and cultural history of a river valley in a central coastal Fujian province from the ninth through thirteenth centuries The book demonstrates how cultural innovation often begins at a local level      **Edward the First** Thomas Frederick Tout, 1896      *The American Ruling Cases as Determined by the Courts* Basil Jones, 1917      **India** Sir Herbert Hope Risley, 1903      **Social-democrat** , 1925      *Keeping up appearances* Timothy Shay Arthur, 1879      The Tribes and Castes of Bombay Reginald Edward Enthoven, 1922      **Ecce homo ...
