Marriage Litigation In Medieval England:

Marriage Litigation in Medieval England Helmholz, R. H. Helmholz, 2007-03-26 This book tells one part of the long history of the institution of marriage Questions concerning the formation and annulment of marriage came under the exclusive jurisdiction of the church courts during the Middle Ages Drawing on unpublished records of these courts Professor Helmholz describes the practical side of matrimonial jurisdiction and relates it to his outline of the formal law of marriage He investigates the nature of the cases heard the procedure used the people involved and changes over the period covered all of which add to what is known about marriage and legal practice in medieval England The concluding assessment of canonical jurisdiction over marriage suggests that the application of the law was more successful than is usually thought Marriage Litigation in Medieval England R. H. Helmholz, 1986 This book tells one part of the long history of the institution of marriage Questions concerning the formation and annulment of marriage came under the exclusive jurisdiction of the church courts during the Middle Ages Drawing on unpublished records of these courts Professor Helmholz describes the practical side of matrimonial jurisdiction and relates it to his outline of the formal law of marriage He investigates the nature of the cases heard the procedure used the people involved and changes over the period covered all of which add to what is known about marriage and legal practice in medieval England The concluding assessment of canonical jurisdiction over marriage suggests that the application of the law was more successful than is usually thought **Marriage Litigation in Medieval England** Richard H. Helmholz, 1978 **Marriage Litigation in Medieval England** Richard Henry Helmholz, 1970 **Marriage Disputes in Medieval England** Frederik Pedersen, 2000-01-01 Most information about medieval life comes from the records of the church courts of the province of York which date from the 14th century This work investigates cases involving a range of disputes including sex consent and violence **Franciscan Organisation in the Mendicant Context** Michael J. P. Robson, Jens Röhrkasten, 2010 Emanating from the tradition of the Italian hermit communities the Franciscans developed organisational structures already early in their history allowing them to offer pastoral care on a wide scale This process of transition led firstly to constitutional structures as defined in the order's early legislation but it also occurred within relationship networks at different levels in the context of Church and papacy within the different European regions and before the background of the emerging Canon Law The term organisation has been given a wide definition in the articles published in this volume They offer a survey of general issues related to the structuring and running of religious orders as well as a number of case studies Comparisons with other mendicant orders offer an analysis of the issues in a wider context *Marriage in Medieval England* Conor McCarthy, 2004 A survey of attitudes to marriage as represented in medieval legal and literary texts Class and Gender in Early English Literature Britton J. Harwood, Gillian R. Overing, 1994-05-22 The essays focus on class and gender not only sheds new light on old texts but also stretches the boundaries of the critical modus operandi which is often applied to such literature Women's Studies Network UK Association Newsletter These dramatic new

readings of Old and Middle English texts explore the rich theoretical territory at the intersection of class and gender and highlight the interplay of the critic methodology and the medieval text

Love, Sex & Marriage in the Middle Ages Conor McCarthy, 2022-04-20 This updated edition collects an extensive range of evidence for how people in the European Middle Ages thought about the emotional state of love the physical act of sex and the social institution of marriage Included are extracts from literary and theological works medical and legal writings conduct books chronicles and letters These texts discuss married couples who are not having sex and unmarried ones who are We encounter marriages for creating alliances marriages for love and promises of marriage made in the hope of obtaining sex Learned texts discuss the etymology of sexual terms and the medical causes of difficulties in conceiving There are accounts of clandestine marriages sexual violence the madness of love melancholy and much more By drawing on diverse voices and presenting less accessible material this sourcebook provides a nuanced view of how medieval people thought about these subjects and questions the similarities and differences between their perspectives and our own With an expanded range of texts wider geographical scope suggestions for further reading and updated explanatory material to reflect changes in scholarship in over two decades this edition is an invaluable resource for students interested in sexuality gender and relationships in the Middle Ages

Gender, Family, and Politics Nicola Clark, 2018-07-25 Gender Family and Politics is the first full length gender inclusive study of the Howard family one of the pre eminent families of early modern Britain Most of the existing scholarship on this aristocratic dynasty s political operation during the first half of the sixteenth century centres on the male family members and studies of the women of the early modern period tends to focus on class or geographical location Nicola Clark however places women and the question of kinship in centre stage arguing that this is necessary to understand the complexity of the early modern dynasty A nuanced understanding of women s agency dynastic identity and politics allows us to more fully understand the political social religious and cultural history of early modern Britain

Women, Agency and the Law, 1300-1700 Bronach Kane, 2015-10-06 Based on close readings of both public and private documents court records churchwarden accounts depositions diaries letters and pamphlets this collection of essays presents the largely untold story of non elite women and their dealings with the law

Divorce in Medieval England Sara M. Butler, 2013-03-05 Divorce in Medieval England is intended to reorient scholarly perceptions concerning divorce in the medieval period Divorce as we think of it today is usually considered to be a modern invention This book challenges that viewpoint documenting the many and varied uses of divorce in the medieval period and highlighting the fact that couples regularly divorced on the grounds of spousal incompatibility Because the medieval church was determined to uphold the sacrament of marriage whenever possible divorce in the medieval period was a much more complicated process than it is today Thus this book steps readers through the process of divorce including grounds for divorce the fundamentals of the process the risks involved financial implications

for wives who were legally disabled thanks to the rules of coverture the custody and support of children and finally what happens after a divorce Readers will gain a much greater appreciation of marriage and women's position in later medieval England

British Women's History, 1996 This is one of a series of bibliographical guides designed to meet the needs of undergraduates postgraduates and their teachers in universities and colleges of further education All volumes in the series share a number of common characteristics They are selective manageable in size and include those books and articles which are considered most important and useful All are edited by practising teachers of the subject in question and are based on their experience of the needs of students The arrangement combines chronological with thematic divisions Most of the items listed receive some descriptive comment

Love, Marriage, and Family Ties in the Later Middle Ages Isabel Davis, Miriam Müller, Sarah Rees Jones, 2003 This volume addresses the current fashion for research on the family and domesticity in the past It draws together work from various disciplines historical art historical and literary with their very different source materials and from a broad geographical area including some countries such as Croatia and Poland which are not usually considered in standard text books on the medieval family This volume considers the various affective relationships within and around the family and the manner in which those relationships were regulated and ritualized in more public arenas Despite their disparate approaches and geographical spread these essays share many thematic concerns the ideologies which structured gender roles inheritance rights incest law and the ethics of domestic violence for example are all considered here This collection originates from the Leeds International Medieval Congress in 2001 when the special strand was entitled Domus and Familia and attracted huge participation This book aims to reflect that richness and variety whilst contributing to an expanding area of historical enquiry

Aristocratic Marriage, Adultery and Divorce in the Fourteenth Century Bridget Wells-Furby, 2019 The life of that notorious woman Lucy de Thweng is used as a prism through which to consider the agency of aristocratic women in the Middle Ages The Yorkshire heiress Lucy de Thweng was married as a child to her first husband but later divorced him entered into an adulterous relationship with another man was forced into marriage to a second husband and then after a period of widowhood married for the third time to a congenial partner of her own choice This sounds a remarkable and unusual story but was it This book uses the episodes of Lucy's life to explore how far she was exceptional in her time and rank and highlights aspects of personality and personal relationships which are not often recognized It undertakes extensive investigations into divorce in contemporary aristocratic families and extra marital sexual relationships by women as well as discussing the marriage of heiresses and the pressures to remarry which widows endured These show that the theoretical religious and secular restraints on marriage and sex were often ignored by both men and women and how women particularly if they were heiresses were able to make their own decisions in these matters As the legitimate procreation of children within the licensed environment of marriage was the forum for the succession to landed estates the book also considers how this behaviour affected those estates BRIDGET WELLS FURBY is an

independent scholar whose interests lie chiefly in late medieval landed estates and their context *Sex, Law, and Marriage in the Middle Ages* James A. Brundage, 1993 Carnal delight marriage concubinage coital position rape impotence and frigidity as grounds for annulment the status of women both within and outside of marriage intermarriage between Christians and Jews prostitution and sodomy are among the topics discussed in 17 essays reproduced from their original publication 1975 91 Much attention is paid to Canon Law and church policy Distributed in the US by Ashgate Annotation copyright by Book News Inc Portland OR Wife and Widow in Medieval England Sue Sheridan Walker, 1993 Examines the role of women in medieval law and society *Studies in the Age of Chaucer* David Matthews, 2013-01-15 *Studies in the Age of Chaucer* is the annual yearbook of the New Chaucer Society publishing articles on the writing of Chaucer and his contemporaries their antecedents and successors and their intellectual and social contexts More generally articles explore the culture and writing of later medieval Britain 1200 1500 Each SAC volume also includes an annotated bibliography and reviews of Chaucer related publications Regional Variations in Matrimonial Law and Custom in Europe, 1150-1600 Mia Korpiola, 2011-12-09 The book approaches medieval marriage law and custom from a comparative perspective Although concentrating on source material from one region some articles discuss the regionality and universality of matrimonial practices and norms Others compare several regions
