# Marriage On Trial

**Elizabeth Fox-Genovese**

## **Marriage On Trial:**

**Marriage on Trial** Lee Wilkinson, 2011-05-23 Elizabeth had barely whispered I do when she discovered that her new husband hadn't married her for love. Her wedding dreams shattered. Elizabeth insisted on an annulment and disappeared from Quinn Durville's life. Quinn's life changed her identity and vowed never to see him again. But Quinn had tracked her down and claimed she was still his wife. Did this mean Quinn really did love her after all or was he suggesting a trial marriage to get his revenge?

**Marriage on Trial** Lee Walzer, 2005-03-25 An examination of how the U.S. court system has shaped the boundaries of a central building block of American society from the colonial era to the present day. *Marriage on Trial: A Handbook with Cases, Laws and Documents* explores the evolution of marriage, a seemingly static institution that in reality has been dramatically redefined over time. An illuminating introduction tracing the reasons for ongoing controversies leads to a historical overview of the ways in which marriage has evolved with a particular emphasis on women, racial minorities, polygamists and homosexuals. A review of significant court cases that represent key arguments regarding marriage, legal identity of women, polygamy, interracial marriage, rights of unmarried couples and same sex marriages illustrates how the legal system has shifted with the changing mores of society. Will Americans ever tolerate polygamy? Will gay marriages be legally recognized? Scenarios of these and other possibilities for the future suggest that more change is in store.

**Marriage on Trial** Glenn T. Stanton, Bill Maier, 2009-10 Surely gays have the same right to marry that heterosexuals do. Isn't banning gays from marriage just like banning interracial marriage? How does someone's gay marriage threaten your family? It doesn't matter for children as long as they have two loving parents. But lots of other cultures have different ways of forming families. Why can't we?

**Marriage on Trial** Ludwig Schmugge, 2012 This work vividly describes many of the individual cases and offers new insight into the social and legal pressures on marriage in the Middle Ages.

*A Trial Marriage* Anne Mather, 1977

**Speak Now** Kenji Yoshino, 2015 Tells the story of a watershed trial that unfolded over twelve tense days in California in 2010. A trial that legalized same sex marriage in our most populous state. A trial that interrogated the nature of marriage, the political status of gays and lesbians, the ideal circumstances for raising children and the ability of direct democracy to protect fundamental rights. A trial that stands as the most potent argument for marriage equality this nation has ever seen. In telling the story of Hollingsworth v. Perry, the groundbreaking federal lawsuit against Proposition 8, Kenji Yoshino has also written a paean to the vanishing civil trial, an oasis of rationality in what is often a decidedly uncivil debate.

**Marriage on Trial** Ziba Mir-Hosseini, 1997-12-31 With the resurgence of Islam as a social and political force, debates over family law reveal the struggle between the forces of traditionalism and modernism. The disparate tendencies within so-called Islamic fundamentalism have in common the desire to re-institute Shari'a law, which they regard as the last bastion of the Islamic ideal of social relations. Yet very little is known of the ways in which the Shari'a actually operates in today's Muslim societies. Mir-Hosseini focuses on the dynamics of marriage and its breakdown, as well as the way in which litigants

manipulate the law in order to resolve marital disputes and child custody cases Taking an inter disciplinaryand approach which straddles law anthropology sociology and women s studies Mir Hosseini shows how women may turn even the most patriarchal elements of Islamic law to their advantage and achieve their personal marital aims Marriage On Trial Elizabeth Fox-Genovese,2004 Book explores the nature and dynamics of marriage at different historical moments as a background to the crisis marriage faces today and the high cost of its erosion to women men and children as well as the cohesion of society at large **Trial by Marriage** Lindsay Armstrong,1995 Marriage on Trial Allan C. Carlson,2003

*Red War on the Family* Erica J Ryan,2015 In the 1920s cultural and political reactions to the Red Scare in America contributed to a marked shift in the way Americans thought about sexuality womanhood manhood and family life The Russian Revolution prompted anxious Americans sensing a threat to social order to position heterosexuality monogamy and the family as a bulwark against radicalism In her probing and engaging book Red War on the Family Erica Ryan traces the roots of sexual modernism and the history of antiradicalism and antifeminism She illuminates how Americans responded to foreign and domestic threats and expressed nationalism by strengthening traditional gender and family roles especially by imposing them on immigrant groups workers women and young people Ryan argues that the environment of political conformity in the 1920s was maintained in part through the quest for cultural and social conformity exemplified by white middle class family life Red War on the Family charts the ways Americanism both reinforced and was reinforced by these sexual and gender norms in the decades after World War I

Temptation on Trial Jenny Cartwright,1995 I d like to introduce you to my future wife When Livvy decided to confront Leon in his boardroom she didn t expect him to turn the tables on her and announce their engagement to his colleagues Of course she couldn t possibly accept his outrageous proposal or could she After all if she married Leon Livvy s dreams had every chance of coming true But then she started to live with him and Livvy wondered if she could afford to pay the price Leon demanded

**Love on Trial** Kris Perry,Sandy Stier,2017-05-09 Told in their own voice this is the story of two women who took their struggle for marriage equality all the way to the Supreme Court and won Kris Perry and Sandy Stier are the lead plaintiffs in the team that sued the state of California to restore marriage equality By 2008 when Californians voted in Proposition 8 banning same sex marriage Kris and Sandy had been a couple raising their four sons for almost a decade Living in Berkeley they were a modern family but without the protections of legal marriage In alternating voices Love on Trial tells the story of each woman s journey from her 1960s all American childhood to the US
