Marriage Shock:

Marriage Shock Dalma Heyn,1999-05-01 Dalma Heyn offers the revolutionary argument that women leave their marriages not for the reasons commonly believed boredom or disharmony with their mate but because of a subtle trauma that they experience soon after nuptials Women in first and second marriages married at twenty or forty five describe their unexpected often lonely transformation from women into wives and their inability to stop or even articulate its occurrence As one woman says Within a year of my marrying my plans for my own life my own needs had disappeared Heyn argues that the ideal of the Virtuous Wife has taught us that she is the one responsible for the quality of the relationship that to make a marriage work women must be sacrificing accommodating good But those are qualities for sainthood not happiness In fact they assure precisely the opposite distress resentment and guilt in both partners Elegantly argued and resounding with the voices of women and men Marriage Shock is a groundbreaking book that will change the way we think about marriage and about divorce Heyn s compassionate conclusion is that marriage can be saved only when we stop trying to fix wives so they fit into it and instead fix marriage to embrace and nourish wives From the Trade Paperback edition **Marriage Shock** Dalma Heyn,1997 By examining the complex experience of marriage shock Heyn carefully charts how the institution can silently sabotage the very love and commitment a couple envision *Doing Good, Departing from Evil* Carole J.
