Marriage Takes More Than Two Bill Gillham, Anabel Gillham, 1989      *Hope-Focused Marriage Counseling* Everett L. Worthington Jr., 2013-02-04 Everett L. Worthington Jr. offers a comprehensive manual for assisting couples over common rough spots and through serious problems in a manner that is compassionate, effective, and brief      **Laws in the Bible and in Early Rabbinic Collections** Samuel Greengus, 2011-10-04 The remarkable discovery of ancient Near Eastern law collections or codes beginning with the Laws of Hammurabi and followed by many other collections in decades following opened a new window upon biblical law. This volume seeks to examine within a single study all of the biblical laws that are similar in content with ancient Near Eastern laws from Sumer, Babylonia, Assyria, and Hatti. The book also examines a small but important group of early rabbinic laws from postbiblical times that exhibit significant similarities with laws found in the ancient Near Eastern collections or codes. This later group of laws, although absent from the Bible, are nevertheless of comparable antiquity. The presentation focuses on the actual law statements preserved in these ancient law codes. The discussion then adds narratives, records, and reports of legal actions from ancient sources outside the laws, all of which relate to the formal law statements. The discourse is non-polemical in tone and does not seek to revisit all theories and interpretations. The format allows readers, including those who are new to the subject of biblical law, to engage the primary sources on their own.      *The Essex Hall Year Book for ...*, 1903      Appendix to the Journals of the House of Representatives of New Zealand New Zealand.
