Capture and Escape John Azor Kellogg,1908 **Shipbuilding & Marine Engineering International** ,1903 **Navy & Army Illustrated** ,1902 **Ships of the British Navy** William George Gates,1905 *Original Papers* ,1908

Leviathan Robert McCammon,2024-12-03 The thrilling conclusion to the Matthew Corbett colonial era mystery series by the New York Times bestselling author of *The King of Shadows* Matthew Corbett barely escaped from the beguiling and sinister island of Golgotha where he and his companions Hudson Greathouse and Professor Fell had searched in vain for a fabled sorcerer's mirror said to possess demon summoning powers The island instead pulled them ever deeper into its influence with the goal of erasing their very minds But now in the waning summer of 1704 still reeling from their harrowing journey they must pay a price for their rescue from Golgotha by the Spanish The trio are to resume their abandoned quest for the mirror while under the watchful eyes of soldiers and a witch hunter And they must do it before the Family of the Scorpion finds the mirror and uses it for their own nefarious purposes Praise for the Matthew Corbett Novels Rich atmospheric stories Booklist on *The King of Shadows* Excellent full of tension and suspense Stephen King on *Speaks the Nightbird* Compulsively readable Publishers Weekly on *Speaks the Nightbird* This popular series takes us to a long forgotten time with characters who never fail to entertain The Florida Times Union on *The King of Shadows* **The Conjure Woman** Charles Waddell Chesnutt,1899 This edition reassembles for the first time all of Chesnutt's work in the conjure tale genre the entire imaginative feat of which the published *Conjure Woman* forms a part It allows the reader to see how the original volume was created how an African American author negotiated with the tastes of the dominant literary culture of the late nineteenth century and how that culture both promoted and delimited his work In the tradition of Uncle Remus the conjure tale listens in on a poor black southerner speaking strong dialect as he recounts a local incident to a transplanted northerner for the northerner's enlightenment and edification But in Chesnutt's hands the tradition is transformed No longer a reactionary flight of nostalgia for the antebellum South the stories in this book celebrate and at the same time question the folk culture they so pungently portray and ultimately convey the pleasures and anxieties of a world in transition Written in the late nineteenth century a time of enormous growth and change for a country only recently reunited in peace these stories act as the uneasy meeting ground for the culture of northern capitalism professionalism and Christianity and the underdeveloped southern economy a kind of colonial Third World whose power is manifest in life charms magic spells and haunts all embodied by the ruling figure of the conjure woman Humorous heart breaking lyrical and wise these stories make clear why the fiction of Charles W Chesnutt has continued to captivate audiences for a century *Between the Lines* Andre Wallace,2011-11 Saul Jenkins is a new detective just learning the ropes and he's already seen his fair share of crime and danger His boss and most trusted confidant the Chief has been his conscience through thick and thin One day after a secret meeting with the FBI the Chief has a special assignment for him Saul is picked to take part in a top secret undercover

science experiment He is supposed to go under the knife and have his mind transferred into a seriously injured young woman's head In the fascinating novel *Between The Lines* the idea is for Saul to become Isabelle Windlow the daughter of a wealthy arms supplier Reluctantly accepting the assignment Saul puts himself into a task that could rewrite history After the operation he learns to adjust being a different person Saul's time in the new body can only last a week during which he must uncover a possible terrorist plot from a suspected terrorist cell that has placed a large order for undocumented weapons At the secret sales meeting Saul reports back what takes place But Saul as Isabelle realizes there could be more happening than he was told and starts doing his own undercover work Will Saul thwart the terrorists and escape from his imprisonment that rests *Between The Lines* in Isabelle's mind **Original Papers: Kellogg, J.A.
