**Martin Luther King, Jr.** John Ansbro, **Liberating Visions** Robert Michael Franklin, The four men spotlighted in this book together with other black religious and political leaders and communities have developed distinctive and significant traditions of moral thinking and social criticism Although the principal concern of these thinkers was social justice entailing significant institutional transformations in American society they were also attentive to the substantive content and formal character of the authentically free life and moral person Indeed most of them realized that authentic liberation required personal as well as social transformation Despite the significance and diversity of perspective in black theology however much of it does not adequately attend to the host of issues related to personal identity wholeness and fulfillment This general inattention to the personal dimension of the liberation enterprise has important consequences Failure to understand the person centered dimension of a broader inclusive societal transformation can lead to a disturbing paradox an optimism concerning the future of society existing alongside personal and familial disintegration despair and frustration Our method for correcting the perspectival imbalance in black theology is to identify the finest and most trusted resources and reflections on personal wholeness in the modern black community and to present them for revision reconsideration and possible reappropriation In this book I examine visions of human fulfillment and of the just society as presented by Booker T Washington 1856 1915 W E B Du Bois 1868 1963 Malcolm X 1925 1965 and Martin Luther King Jr 1929 1968 As I examined the ranks of post Reconstruction African American leaders I did so with an eye for those whose intellectual and political influence upon past and present Americans could be characterized as monumental [A More Perfect Union](#) Linda Sargent Wood, 2012-09-01 In 1962 when the Cold War threatened to ignite in the Cuban Missile Crisis when more nuclear test bombs were detonated than in any other year in history Rachel Carson released her own bombshell Silent Spring to challenge society s use of pesticides To counter the use of chemicals and bombs the naturalist articulated a holistic vision She wrote about a web of life that connected humans to the world around them and argued that actions taken in one place had consequences elsewhere Thousands accepted her message joined environmental groups flocked to Earth Day celebrations and lobbied for legislative regulation Carson was not the only intellectual to offer holistic answers to society s problems This book uncovers a sensibility in post World War II American culture that both tested the logic of the Cold War and fed some of the twentieth century s most powerful social movements from civil rights to environmentalism to the counterculture The study examines important leaders and institutions that embraced and put into practice a holistic vision for a peaceful healthful and just world nature writer Rachel Carson structural engineer R Buckminster Fuller civil rights leader Martin Luther King Jr Jesuit priest and paleontologist Pierre Teilhard de Chardin humanistic psychologist Abraham Maslow and the Esalen Institute and its founders Michael Murphy and Dick Price Each looked to whole systems instead of parts and focused on connections interdependencies and integration to create a better world Though the 60s dreams of creating a more perfect

world were tempered by economic inequalities political corruption and deep social divisions this holistic sensibility continues to influence American culture today Gandhi and Beyond David Cortright,2020-03-10 David Cortright is a life long activist and respected scholar In Gandhi and Beyond he convincingly shows the power of nonviolence as a philosophy of life not just a method of social action His practical analysis of Gandhi Martin Luther King Dorothy Day Cesar Chavez and others brings new insights and inspiration to those of us attempting to live that philosophy and to those especially a new generation who are seeking a better way to respond to their world I commend this book to all who are seeking an alternative to violence Jim Wallis author of God s Politics and editor of Sojourners Is there room for nonviolence in an age of terrorism Drawing on the legend and lessons of Gandhi Cortright traces the history of nonviolent social activism through the early twentieth century to the civil rights movement the Vietnam era and up to the present war in Iraq Gandhi and Beyond offers a critical evaluation and refinement of Gandhi s message laying the foundation for a renewed and deepened dedication to nonviolence as the universal path to social progress and antidote to terrorism *The New York Times Book Review* ,1993-10 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback
