The image shows the front cover of the book 'The Plinko Bounce' by Martin Clark. The title is written in large, metallic, 3D-style letters that appear to be falling or bouncing. The letters are primarily silver with some red highlights, set against a dark background. The word 'THE' is on the first line, 'PLINKO' is on the second line, and 'BOUNCE' is on the third line. Above the title, the author's name 'MARTIN CLARK' is written in a large, bold, grey sans-serif font. Below the author's name, a smaller line of text reads 'The Sunday Times' bestseller of 'The Submissions' (which will 'blow your mind'). At the bottom of the cover, there is a small, stylized illustration of a person's head and shoulders, looking upwards with a surprised expression. The overall design is dynamic and suggests movement, fitting the theme of the book.

No one starts a magazine more than two decades into the 21st century No one It s only an adled brain that would even toy with the idea Print publications are on their way out The few survivors are frightened huddled waiting silently for the long night to come Well not here at Phenomenal Stories We never expected to have any readers so how could we be disappointed And we re not OK OK there may be one or two readers who ironically are reading Phenomenal Stories on their Kindles Other than that though it s safe to say that after the first four issues we are very nearly 100% reader free So why are we doing this I put it to you as a question Why wouldn t we be doing this OK plenty of reasons but we re doing it anyway Come on along
