Marvel Comics The Easter Story:

Marvel Comics Nelson/Word Canada, Thomas Nelson Incorporated, Thomas Nelson Publishers, 1994-03-01 **The Easter Story** Louise Simonson, 1993 [The Life of Christ](#) Louise Simonson, Mary Wilshire, Bill Anderson, 1993 **Christianity and Comics** Blair Davis, 2024-03-15

The Bible has inspired Western art and literature for centuries so it is no surprise that Christian iconography characters and stories have also appeared in many comic books. Yet the sheer stylistic range of these comics is stunning. They include books from Christian publishers as well as underground comix with religious themes and a vast array of DC, Marvel, and Dark Horse titles from Hellboy to Preacher. *Christianity and Comics* presents an 80 year history of the various ways that the comics industry has drawn from biblical source material. It explores how some publishers specifically targeted Christian audiences with titles like Catholic Comics books featuring heroic versions of Oral Roberts and Billy Graham and special religious themed editions of Archie. But it also considers how popular mainstream comics like Daredevil, The Sandman, Ghost Rider, and Batman are infused with Christian themes and imagery. Comics scholar Blair Davis pays special attention to how the medium's unique use of panels, word balloons, captions, and serialized storytelling have provided vehicles for telling familiar biblical tales in new ways. Spanning the Golden Age of comics to the present day, this book charts how comics have both reflected and influenced Americans' changing attitudes towards religion.

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31

The keystone of Christianity is Jesus's physical bodily resurrection. Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. *A Thematic Access Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian, Jewish, Muslim, etc. agnostic and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease.

[Rapa Nui - Easter Island](#) Ian Conrich, Hermann Mückler, 2016-05-06

Easter Island or Rapa Nui has long captivated travellers and explorers since it was first encountered by European voyagers in 1722. The island's colossal stone carvings, moai, have been the primary attraction yet these have overshadowed the broader culture of the Rapanui people. This significant edited collection brings together thirteen specialists from eight countries in a series of studies that address the

pre history history contemporary society and popular culture of Easter Island Consideration is given to both the Rapanui and western cultures with topics covered including archaeology anthropology linguistics tourism literature comic books and music This is a multidisciplinary book with subjects ranging from fact to fiction and from Thor Heyerdahl and Katherine Routledge to Indiana Jones and Lara Croft
