

# Marxism and the trade unions Part 1: Marx, Engels, Lenin and the British working class

Professor Mary Davis

Mary Davis is a labour historian and the author of *Comrade or Brother? A history of the British Labour Movement*

## 1. Marx and Engels on Trade Unions

Trade unionism as we understand it today really begins to develop with the industrial revolution in Britain and the growth of the industrial working class at the end of the eighteenth and beginning of the nineteenth century. At this time it was illegal under 1799 Combination Acts. In 1834 the utopian socialist, Robert Owen, initiated the Grand National Consolidated Trades Union, but it discouraged strikes in favour of forming cooperatives and never really took off. Also in 1834 came the famous case of the Tolpuddle Martyrs, agricultural labourers, who were sentenced to transportation for the crime of forming a union.

When Marx and Engels arrived on the scene as communists in the 1840s they found that most radicals, socialists and would be revolutionaries were actually opposed to trade unionism. Looking back in 1869, Marx noted, 'in 1847 when all the political economists and all the socialists concurred on one single point - the condemnation of trade unions - I demonstrated their necessity' and Engels concurred 'Marx's assertion is true of all socialists, with the exception of us two' (In point of fact it was Engels in *The Condition of the English Working Class* in 1844 who first took first took up the cudgels on behalf of unions calling them, 'the military school of the working-men in which they prepare themselves for the great struggle which cannot be avoided... And as schools of war the Unions are unexcelled' Marx followed suit, making the question of 'strikes and combinations' a major issue in *The Poverty of Philosophy* (1847), his polemic against Proudhon (then the leading French 'socialist' who was anti-union):

*'In England, they have not stopped at partial combinations which have no other objective than a passing strike, and which disappear with it. Permanent combinations have been formed, trades unions, which serve as ramparts for the workers in their struggles with the employers. The first attempt of workers to associate among themselves always takes place in the form of combinations... Large-scale industry concentrates in one place a crowd of people unknown to one another. Competition divides their interests. But the maintenance of wages, this common interest which they have against their boss, unites them in a common thought of resistance - combination. Thus combination always has a double aim, that of stopping competition among the workers, so that they can carry on general competition with the capitalist.... in this struggle - a veritable civil war - all the elements necessary for a coming battle unite and develop.'*

After 1850 and the onset of a period of reaction Marx largely withdrew from

# Marx And Engels On The Trade Unions

**David North**

## **Marx And Engels On The Trade Unions:**

Marx and Engels on Trade Unions Karl Marx, Friedrich Engels, Kenneth Lapides, 1990-06-01 A complete modern compilation of M E s writings on unions strikes labor aristocracy U S labor and more from 1833 1894 Introduction and notes by the editor formerly a shop steward now a writer 1st paperback edition *Marx and the Trade Unions* A. Lozovskii, 1942

**Marxism and the Trade Unions** David North, 1998

**Marx and the Trade Unions** Solomon Abramovich Drizdo, 1942

**Tribunes of the People and the Trade Unions** Karl Marx, V. I. Lenin, Leon Trotsky, 2019 A tribune of the people reacts to every manifestation of tyranny and oppression no matter where it appears The authors of this book Karl Marx V I Lenin Leon Trotsky Farrell Dobbs and Jack Barnes draw on generations of revolutionary struggles by working people to explain why organizing to strengthen the unions is not only essential to the fighting unity and political striking power of the working class It s central to building a revolutionary proletarian party as well But the activity of a workers party neither begins nor ends there It begins by extending the party s political reach in all directions to cities towns and farms By exchanging views and experiences with all layers of workers farmers and other toilers irrespective of skin color language religion or sex By broadening cultural horizons and knowledge of history and the world A tribune of the people uses every manifestation of capitalist oppression to explain why it s workers and our allies who can and will in the course of struggles by the unions and beyond lay the foundations for a world based not on violence and competition but on solidarity among working people worldwide

**Theories of the Labor Movement** Simeon Larson, Bruce Nissen, 1987 A collection of readings respecting both the history a labor theories and the variety of theoretical points of view concerning the labor movement Respecting both the history a labor theories and the variety of theoretical points of view concerning the labor movement this collection of readings includes selections by Karl Marx V I Lenin William Haywood Georges Sorel Stanley Aronowitz John R Commons Sidney and Beatrice Webb Thorstein Veblen Henry Simons and John Kenneth Galbraith among others Intending this as a text for classroom use Larson and Nissen have arranged the readings according to the social role assigned to the labor movement by each theory The text s major divisions consider the labor movement as an agent of revolution as a business institution as an agent of industrial reform as a psychological reaction to industrialism as a moral force as a destructive monopoly and as a subordinate mechanism in pluralist industrial society Such groupings allow for ready comparison of divergent views of the origins development and future of the labor movement

**European Labor Aristocracies** Marc Linder, 1985 *In the Cause of Labour - A History of British Trade Unionism* Rob Sewell, There are many narrative histories of the struggles of British workers However Rob Sewell s book is different This book is aimed especially at class conscious workers who are seeking to escape from the ills of the capitalist system that has embroiled the world in a quagmire of wars poverty and suffering This history of trade unions is particularly relevant at the present time After a long period of stagnation the fresh winds of the class struggle are beginning to blow Rob Sewell s book was written precisely with these new forces in mind The

British labour movement is the oldest in the world More than two hundred years ago the pioneers of the movement created illegal revolutionary trade unions in the face of the most terrible violence and repression In the course of the nineteenth century they built trade unions of the downtrodden unskilled workers those with blistered hands and the unshorn chins as Feargus O Connor called them Finally they established a mass party of Labour based on the trade unions breaking the monopoly of the Tories and Liberals In the stormy years following the Russian Revolution they engaged in ferocious class battles culminating in the General Strike of 1926 Nor did the achievements of the British trade union movement cease with the Depression and the Second World War The post war upswing served to strengthen the working class and heal the scars of the inter war period By the time of the industrial tidal wave of the early 1970s they drove a Tory government from power after turning Edward Heath s anti trade union laws into a dead letter Later the miners the traditional vanguard of the British working class waged an epic year long struggle in 1984 85 against the juggernaut of Thatcherism They could have succeeded had the rightwing Labour and trade union leaders not abandoned them and left them isolated The book contains vital lessons and is essential reading for today s worker militants

*Karl Marx's Theory of Revolution Vol. II* Hal Draper, 1978 This is the second installment of Hal Draper s incomparable treatment of Marx s political theory policy and practice In forceful and readable language Draper ranges through the development of the thought of Marx and Engels on the role of classes in society This series Karl Marx s Theory of Revolution represents an exhaustive and definitive treatment of Marx s political theory policy and practice Marx and Engels paid continuing attention to a host of problems of revolution in addition to constructing their grand theory All these political and social analyses are brought together in these volumes as the author draws not only on the original writings of Marx and Engels but also on the sources that they used in formulating their ideas and the many commentaries on their published work Draper s series is a massive and immensely valuable scholarly undertaking The bibliography alone will stand as a rich resource for years to come Yet despite the scholarly treatment the writing is direct forceful and unpedantic throughout and will appeal to the beginning student as much as the advanced reader

**Trade Unions and Socialist Politics** John E. Kelly, 1988 *Marx and Engels and the English Workers* W. O. Henderson, 2005-08-10 Published in the year 1989 Marx and Engels and the English Workers is a valuable contribution to the field of Economics

*Introduction to Marx, Engels, Marxism* Vladimir Il'ich Lenin, 1987 Brief collection of the basic ideas of Marx Engels Lenin

*Trade Union Theory from Marx to Walesa* John Anthony Moses, 1990 Presenting a study of the theoretical ideas which great socialist thinkers developed on trade unionism its place in the development of class consciousness and its relations with capitalism and political goals this book also traces the evolution of Catholic trade union theory

**Karl Marx and Frederick Engels: Selected Correspondence, 1846-1895** Karl Marx, 1942 *Karl Marx and Friedrich Engels* D. B. Riāzanov, 1927

**Articles Written in the Labour Standard** Frederick Engels, 2016-10-12 George Shipton Secretary of the London Trades Council also served as editor of The Labour Standard the organ of British trade

unions He asked Engels to contribute to a discussion of reformism and the labor movement itself Engels complied and between May and August 1881 wrote 11 articles all appearing as unsigned editorials He used contemporary issues to elaborate basic economic principles of scientific socialism and the nature of capitalism itself Engels stressed the inevitability of the conflict between the capitalists and the proletariat that struggle isn't an aberration it's a central feature of capitalism Capitalists will forever be interested in lowering the wages and living conditions of the masses of property less people because it's simply in their interest He held up trade unions as the daily defenders of the working class in that struggle In the first article Engels said the labor movement should lose the meaningless slogan A Fair Day's Wages for a Fair Day's Work since capitalism's internal nature prevents capitalists from being fair to the workers whose wages they must continually seek to depress with the slogan Possession of the means of work raw material factories machinery by the working people themselves In the article A Working Men's Party Engels notes that unions alone cannot break people free from the endless cycle of capitalist wage slavery They must congregate in an independent political party England's lack of such a party kept the working class tailing after the Great Liberal Party And that creates confusion and demoralization The MECW notes These articles by Engels exerted a definite influence on the young generation in the British socialist movement James Macdonald later to be one of the representatives of the Marxist wing of the British socialists said what really attracted him to socialism were Engels articles in The Labour Standard How I Became A Socialist London 1896 pp 61 62 From different Engels letters to Marx August 11 to George Shipton August 10 and August 15 to Johann Philipp Becker February 10 1882 we learn he stopped writing for the paper because of the growth of opportunist elements in its editorial board     Trade Unions and Class Struggle Willi Dickhut, 2002     Karl Marx and Friedrich Engels D. B. Riāzanov, 1974     The American Federationist , 1910 Includes separately paged Junior union section     **Marxism, Communism, and Western Society: Socialist realism** Claus Dieter Kernig, 1973

## Marx And Engels On The Trade Unions Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Marx And Engels On The Trade Unions free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Marx And Engels On The Trade Unions free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Marx And Engels On The Trade

Unions free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Marx And Engels On The Trade Unions. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Marx And Engels On The Trade Unions any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Marx And Engels On The Trade Unions Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Marx And Engels On The Trade Unions is one of the best book in our library for free trial. We provide copy of Marx And Engels On The Trade Unions in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Marx And Engels On The Trade Unions. Where to download Marx And Engels On The Trade Unions online for free? Are you looking for Marx And Engels On The Trade Unions PDF? This is definitely going to save you time and cash in something you should think about.
