the Devil and especially those of his family and close friends it would be hard to argue that Marx was not an occult Satanist as well History proved Marx's economic and class warfare theories patently wrong but his penchant for revolution through violence for the sake of destruction of nations resulted in up to 150 million deaths steeped in oppression imprisonment and torture Scott Campbell November 19 2019

### **Karl Marx and the Satanic Roots of Communism**

Richard Wurmbrand,2022-07 Karl Marx Coauthor of the revolutionary text The Communist Manifesto grew up in a Christian family and his early writings showed belief in Christian worldview Yet in his adulthood Marx embraced a deep personal rebellion against God and all Christian values In Karl Marx and the Satanic Roots of Communism Richard Wurmbrand explores the development of Marx's antireligious perspective that led to the philosophical foundations of communism By examining Marx's writings as well as biographical accounts Wurmbrand builds a convincing case that Marx adhered to a belief system that opposes God This book provides significant insight to why Christians and the church have been targeted by Marxists and Communists alike as it exposes the evil roots of a theory and government system that continue to persecute Christians in the present
