# Merchandise Buying

**John Donnellan**

## **Merchandise Buying:**

*Merchandise Buying and Management* John Donnellan, 2013-09-12 Covers topics that are important to aspiring retail buyers and store management personnel with responsibilities for managing retail sales and inventories **Merchandise Buying** Maryanne Smith Bohlinger, 1990 *Merchandise Buying 5th edition* Maryanne Smith Bohlinger, 2000-12-14 Currently in its fifth edition *Merchandise Buying* is a comprehensive text for students interested in the art and process behind retail merchandise buying. A standard in the field, this book also works well as a review of basic buying and merchandising principles for the practitioner and those already in business wishing to strengthen their entrepreneurial and managerial skills. Each section contains mini cases that reinforce text material by presenting typical retail situations that students can relate to. Touching on the current state of buying, including diversification and mergers, socioeconomic forces, and the globalization of retailing, Bohlinger, a recognized name in the field, provides practical information in a clear and engaging fashion for students to use in determining their career goals. **Merchandise Buying and Management** John Donnellan, 1996-01-01 This comprehensive text covers the principles of retail merchandising from the dual perspectives of retail buying and the management of inventories at store level. The author, an educator and merchant with over 20 years experience in the department and specialty store industry, offers a contemporary approach to buying and merchandise management from both quantitative and qualitative perspectives, with a strong integration of the two. Instructor's Guide provides objectives, course outlines, tests, assignments, projects, and teaching suggestions. *Retail Buying* Richard Clodfelter, 2012-07-17 *Retail Buying From Basics to Fashion 4th Edition* is a comprehensive text that provides students with the skills and savvy needed to become successful buyers in all areas of retail. With an emphasis on developing a buying strategy, its simple and straightforward approach presents step-by-step instructions for typical buying tasks such as identifying and understanding potential customers, creating a six-month merchandising plan, and developing sales forecasts. A vast array of activities drawn from real-world merchandising examples and incorporating current trends offer readers the opportunity to apply these skills as they would in a professional environment. *Retail Buying* Jay Diamond, Gerald Pintel, 2005 This completely updated edition offers three new chapters that make this text an excellent resource for those entering the field of retail buying and merchandising. The new chapters include *Buying for Discount Operations*, a complete presentation on how professional purchasers for such companies as Target and Wal-Mart plan their purchasing strategies and execute their buying plans; *Consumer Analysis*, the importance of the consumer in the buyer's decision-making process is discussed, as well as the ways in which retail operations analyze customer demand; and *Wholesale Purchasing on the Internet*. In addition to visiting the wholesale markets in the pursuit of new merchandise, many retail buyers are using the Internet as an additional means of product procurement. The concept of professional online purchasing is completely explored in this new chapter. Included with this text is a DVD containing a two-part production providing an on-site view of purchasing planning.

and buying The video progresses from the stages of a buyer planning a purchase through the buyer visiting the wholesale market featuring many of the stops he she makes in finalizing his her purchase The footage for the DVD was created in various buyers premises including a New York City garment center a residential buying office in showrooms and other real life settings Merchandise Buying & Mgmt 3/E John Donnellan,2007-01-01 Features New visuals illustrating retailing principles and organization of the retail industry Extensive coverage of Internet retailing and international merchandising Updated examples tables analysis of retail sales figures and list of retail organizations More detailed explanation of mathematical concepts New section on vendor sponsored store merchandising programs and expanded store fixtures section Contemporary company profiles on retailers Instructor s Guide by Patricia Mink Rath of the International Academy of Design and Technology Chicago Includes chapter teaching tips suggestions for individual and team projects references case studies answers to end of chapter discussion questions and problems PowerPoint Presentation by Patricia Mink Rath of the International Academy of Design and Technology Chicago Slides provide the basis for a chapter by chapter lecture outline that helps you to present concepts and materials The presentation is available on CD ROM compatible with PC and Mac Platforms The Art of Retail Buying Marie-Louise Jacobsen,2011-12-20 Buying for retail is a demanding and challenging job that requires a creative flair a strong awareness of fashion trends life trends as well as good interpersonal and team working skills Buyers and merchandisers have to ensure that the right merchandise is being sent to the right stores at the right time in the right quantities This takes a blend of forward planning and rapid response to consumer demands In combination with the other areas of the business success comes from maximizing profit which is achieved through anticipating customer needs and responding rapidly to immediate issues It involves complex data analysis liaison with the stores operation teams and balancing store stock levels To succeed as a professional buyer you will need strong analytical and numerical skills an interest and understanding of consumer demands and strong commercial awareness You also need to have an ability to understand and prioritize issues quickly and efficiently Progression into the Merchandising function also involves the ability to manage change The better equipped you are in your buying function the better you will be able to adapt to these changes The best change of all is to graduate from a good buyer to an outstanding one To handle the complexity of data and to enable you to contribute effectively in the critical role of a buyer you need the right skill sets and a right mind set Both of which can be learned in The Art of Retail Buying This easy to read guide is written in a concise pictorial style with colorful images that enables you to follow step by step each function of a buyer The Art of Retail Buying will inspire you motivate you and encourage you towards merchandising excellence *Merchandise Buying* Maryanne Smith Bohlinger,1977 Retail Buying Jay Diamond,2013 Retail Buying Ninth Edition is known for its clear depiction of retail buying reflecting what buyers face every day in their pursuit of excellence Focusing on the changes in today s market the book addresses topics such as diverse ethnicities and the nuances of purchasing abroad Contemporary market considerations

are highlighted throughout including chapters on buying for discount operations using the Internet for product procurement and methods of analyzing customer demand With a host of end of chapter materials and visual aids this book will effectively prepare you for your role as a professional retail buyer
