

A serene sunset scene over a body of water. The sun is low on the horizon, creating a bright, glowing cross-like shape in the sky. A brilliant vertical beam of light descends from the sun towards the water's surface, where it reflects as a shimmering path. The sky transitions from a deep blue at the top to a warm orange and yellow near the horizon. The water is dark blue with gentle ripples. In the foreground, the dark silhouettes of rocks and some sparse vegetation are visible on the right side.

*Mercy of God's Humility* Edward Norman,2004-03-01 With pellucid clarity Edward Norman expounds central truths of the Christian religion in a way that is both traditional but entirely radical It is after all the truth that sets us free Here is a sequel to Continuum s highly successful book *Out of the Depths* In this new book however Norman has written a brilliant new introduction worthy of a Crockford s preface in which he castigates reductionists and woolly minded liberals The truths of Christianity are eternal verities Orthodoxy is the highest form of radicalism As the Christian churches tear themselves apart on issues such as gay clergy and single sex marriages Norman s message will be increasingly understood and appreciated

*Luminescence, Volume 3* C. K. Barrett,Fred Barrett,2018-05-04 What is found in this series unveils an entirely different side of C K Barrett a side one might never have known about if one had knowledge only of his famous commentaries and monographs Herein lies a goodly selection of Kingsley s sermons preached largely in small and medium sized Methodist churches in the northeast of England though often elsewhere in England and around the world Fred Barrett was not the scholar his son was but on close inspection one can most definitely see the impact of the father on the son when it came to preaching It seems right to include as many sermons from both of these men as we can in this series One thing sorely lacking in much preaching these days is in depth engagement with both the biblical text and one s tradition and theology The sermons in these volumes demonstrate what such preaching can look like This third volume presents sermons from both the Old Testament and the New Testament

**Capsule for the Day** Francis M. Afu,2020-04-14 Capsule for the Day is a daily devotional that offers healing words in our world a world created by God that is good but broken and wounded Each capsule tells a story that gives voice to our own stories It celebrates our joys and victories It reveals the beauty lurking in our brokenness and the message in our mess The capsule calls us to faith and to respond to God s gift of himself It inspires hope It challenges us to cooperate with God in rough times and even in the midst of evil to be expectant and to wait for the birth of that which at a given moment is shrouded in mystery It summons us to keep a steady relationship with God through prayer It reminds us that we are loved by the Father and called to love him and our neighbours Capsule for the Day seeks to strengthen us as we journey through life It is a guide that enables us to navigate our way in the world to seek God to gather around him and to find our purpose It asks the question what do you live for And day by day it leads us to Christ in whom we find answers to our ultimate questions
