**In the Company of Tibetan Monks** Suzanne R. Bauer, 2013-09-16 Suzanne agreed to host a few of the seven Tibetan monks when they visited Ohio on their 2012 World Peace Cultural Tour. Due to a last minute change of plans she and her husband John hosted all of the monks and their driver for nine days in their home. Although Suzanne and John are world travelers they knew little about Tibet and Buddhism. Hosting the monks became an incredible adventure as Suzanne and John maneuvered through uncharted waters. Their friends said this was an opportunity for them to step out of their comfort zone. Upon reflection it was more accurate to say they stepped into a comfort zone. When the monks entered their home they also stepped into their hearts. Being in the company of these Tibetan monks was a life changing experience. Suzanne and John were and continue to be overwhelmed with gratitude for having been placed in a circumstance where this experience literally came through their front door. Many color photographs help to tell the story of this wonderfully unexpected cultural experience. All proceeds from the sale of this book are donated to the work of the Gaden Jangtse Monastery in India where the monks reside and Merging Hearts Holistic Center, the organization that sponsored the monks during their stay in Canton, Ohio.

**Six Meetings** T. A. Harshaw, 2022-02-11 THEY HAVE A CONFLICT OF INTEREST OF COURSE. Attorneys Tori Hunter and Ciaran Connell specialize in divorce. They're formidable legal eagles. More like sharks really. When they sink their teeth into a prenup battle between a famous husband and his estranged wife, neither of them will let go. For the predatory Mr. Connell, Tori soon becomes more like chum in the water. Her poise and cool formality rub him the wrong way. He just wants to unbutton all that stiffness and not just figuratively and leave everything hiding beneath it delightfully open to his discovery. But Tori is a walking motion to dismiss. She can't stand the man. He is too arrogantly confident, too sarcastic, and much too interested in the dip of her blouses. She thinks it's high time someone knocked him down a peg or two. High time someone beat Mr. Connell at his own conference room games. Soon though, the very scorching evidence suggests that they don't have the conflict of interest they thought they had.

**Opening Our Spiritual Eyes** Qala Sri'ama Phoenix, 2011-02-22 Karma is generally understood as personal and clearing karma is often considered an individual effort with individual rewards. In *Opening Our Spiritual Eyes*, spiritual teacher Sri'ama Qala Phoenix shows how karmic clearing can also be used in collective healing. Karma is shared within families and communities and clearing karma releases it from the etheric body of our children and future generations. The book was inspired by the ongoing Celestial Project, a four-year global endeavor of Australia's Divine University that began in 2009. The project involves people gathering worldwide on specific dates to focus on the karmic cleaning of the etheric body of a major city. *Opening Our Spiritual Eyes* draws on the author's experiences of meeting the Enlightened Masters, those wise spirit guides who, through her, present new understandings of the collective karma held within the world's primary cities and our etheric bodies and how to free ourselves, our families, and our world from it with grace. Revealing what Sri'ama Qala Phoenix calls the true nature of the divine plan for humanity and our Earth, the book

shares essential keys for how we can become empowered to live in alignment with our divine purpose

**The Amorous Heart** Marilyn Yalom, 2018-01-09 An eminent scholar unearths the captivating history of the two lobed heart symbol from scripture and tapestry to T shirts and text messages shedding light on how we have expressed love since antiquity The symmetrical exuberant heart is everywhere it gives shape to candy pendants the frothy milk on top of a cappuccino and much else How can we explain the ubiquity of what might be the most recognizable symbol in the world In *The Amorous Heart* Marilyn Yalom tracks the heart metaphor and heart iconography across two thousand years through Christian theology pagan love poetry medieval painting Shakespearean drama Enlightenment science and into the present She argues that the symbol reveals a tension between love as romantic and sexual on the one hand and as religious and spiritual on the other Ultimately the heart symbol is a guide to the astonishing variety of human affections from the erotic to the chaste and from the unrequited to the conjugal
