Mervyn Wall:

A Mervyn Wall Double Number Mervyn Wall, 1982 **A Flutter of Wings** Mervyn Wall, 2022-12-31 First collected in 1974 the stories in *A Flutter of Wings* span Mervyn Wall's entire writing career dating back as far as the 1940s *Mervyn Wall* Robert Hogan, 1972 *The Unfortunate Fursey (Valancourt 20th Century Classics)* Mervyn Wall, 2017-12-05 Hailed by critic E F Bleiler as a landmark book in the history of fantasy Mervyn Wall's classic *The Unfortunate Fursey* 1946 is set in 11th century Ireland where the forces of evil have launched an assault on the monastery of Clonmacnoise Their task is made easier by the fact that one hapless monk the simple minded Brother Fursey cannot manage to pronounce the necessary words of exorcism When the other monks discover this the unfortunate Fursey is expelled and sets forth on the first stage of his travels accompanied by a fantastic procession of cacademons hippogriffs imps furies and other dreadful creatures not to mention the elegant gentleman in black who is their commander in chief This edition includes an introduction by Pulitzer Prize winning critic Michael Dirda Wildly fantastic intensely satirical and wickedly comic Irish Times Leaves for the burning, by mervyn wall Mervyn Wall, 1952 The Return of Fursey Mervyn Wall, 1948 Previously Fursey had been a lay brother in the Irish monastery of Clonmacnoise but the Prince of Darkness found him quite willing to cooperate In consequence The Abbot sent Fursey from the monastery On his own Fursey took a witch for a wife and became a wizard all against his will Forced to live in England Fursey finds that the Irish church wants him to return to Ireland to be burnt to a cinder at the stake While it seems Fursey will have to learn to become a properly evil wizard nothing even with help from Lucifer is ever quite simple enough for Fursey **Unauthorized Versions** José Lanter, 2000 Certain moments in history especially periods of cultural turmoil and political change appear to be conducive to the writing of Menippean satire *Unauthorized Versions* is the first integral study of Menippean satires written in Ireland in the three decades following the declaration of the Irish Free State in 1922 The book discusses works by Darrell Figgis Eimar O Duffy Austin Clarke Flann O'Brien and Mervyn Wall in the context of political and social developments particularly relating to economic policy the role of the Church and censorship Mikhail Bakhtin defines Menippean satire as an unresolved dialogue between actual and or implied voices designed to test a truth or philosophical idea The Irish satirists of the first half of the twentieth century use medieval Ireland as a setting for addressing contemporary concerns or borrow characters from medieval Irish texts that they place in a modern context Each satire thus creates a series of dialogues between the past and present between characters who represent opposing values and ideologies and between the older texts and their modern reworkings *Unauthorized Versions* reveals the double bind at the core of every Menippean satire Each writer discussed in the book expresses an awareness of the paradox of an author writing in the vacuum created by official censorship seeking to engage his audience in the dethroning of the very authorities by whom he is deprived of his audience By revealing his own ambiguous position the satirist knowingly subverts his own authority along with that of his opponents This study will appeal to students and scholars
