**I Saw Heaven Opened** Michael Wilcock, 1975 What is the book of Revelation Does it describe in veiled language events of its writer s own day or is it largely a prophecy of events still to come Is it a chart of the whole of history from Christ s first coming to his second Or does it deal chiefly with principles which are always valid in Christian experience And what is a twentieth century reader to do with creatures covered with eyes locusts like horses seven bowls of wrath war in heaven various beasts and a dragon Michael Wilcock maintains tha when God s words declarations arguments and reasonings had all been spoken God gave the church a gorgeous picture book Wilcok lifts the curtain on Revelation s drama in eight scenes helping our imaginations as well as our minds grasp the key concepts of this fascinating and enigmatic New Testament book

*The Message of Revelation* Michael Wilcock, 2021-06-29 Does the book of Revelation describe in veiled language events of its writer s own day or is it largely a prophecy of events still to come In this revised BST volume Michael Wilcock lifts the curtain on Revelation as a drama in eight scenes highlighting the role of the imagination in grasping this fascinating and enigmatic book

Revelation Revealed Dr. Paul A Vallee, 2019-11-22 In popular culture the focus of the biblical book of Revelation has been on the identity of the antichrist and the end of the world Though Revelation speaks to these issues the book is primarily about Christ and how he addresses humanity s enemies including our greatest enemy death Revelation Revealed is an expository commentary that pushes through popular misconceptions and explains Revelation in a clear and engaging manner Often viewed as a confusing book that is difficult to understand filled with all kinds of incredible imagery Revelation actually brings a message of hope in times of perplexity and

crisis In *Revelation Revealed* Dr Paul A Vallee addresses the cultural background in which the ancient readers understood the text and shows the relevancy of that message to today's readers This book is the culmination of forty years of biblical study The content was originally presented to a live audience over the course of twenty six weeks The response encouraged Dr Vallee to put into print what the audience described as a positive message clarifying and removing misunderstandings and fear by instilling hope in a world that like the book of Revelation itself is often confusing and overwhelming

*Onward to Victory* Pieter Kriel,2015-08-31 Apart from a few well known passages the book of Revelation is a mystery to most Christians The terrible images that are used are difficult to understand and the little we do understand seems to present a picture of doom and gloom However the book of Revelation was written to comfort the persecuted believers who were facing daily onslaughts by the forces of evil It has a powerful message for the believers of all ages including today's believers If you can get past all the seemingly incomprehensible imagery and unlock the code you will find that its message is an integral part of the message that we find in the rest of the Bible In fact it is like the tip of the spear Most of the important themes in the Bible as a whole find their fulfillment in the book of Revelation The purpose of this book is not to give some radical new interpretation of the book of Revelation It is to remain faithful to the message of the Bible as a whole while opening this wonderful but often misunderstood part of God's Word for today's believers This book will help you not only to understand the message of Revelation but also to apply it to your own life This will help you to persevere through difficulties and persecution until the victory of Christ is fully enforced in all of creation A study guide is included so that you can also use the book for group Bible study

**Revelation Revolution** Greg Albrecht,Plain Truth Ministries,2005      *The Rapture Exposed* Barbara R. *Revelation* Heidi L. Herrmann, 2019-01-15 Have you struggled to read and understand the Book of Revelation Do the many differing opinions and interpretations of the imagery and symbolism in Revelation leave you even more confused Well this Bible study of Revelation is very different With a unique approach to reading the Book of Revelation in a vision by vision format this study will bring clarity to the true message of Revelation a message of hope and comfort Does that surprise you Revelation is a book of hope and comfort Yes it is Many Christians avoid reading the Book of Revelation because they find it confusing upsetting and even terrifying However the Book of Revelation is crucial to our understanding of God s entire plan of salvation If we consider the repeated phrase in Revelation these words are trustworthy and true Rev 21 5 22 6 ESV we can begin to understand that God s message is not a message of doom and gloom or confusion and fear In the pages of Revelation Jesus gives us a message of comfort hope and great anticipation If we approach it the right way Revelation will fill our hearts with confidence and enliven our faith What this Bible study is NOT A chapter by chapter study of the Book of Revelation An exhaustive commentary on the Book of Revelation A verse by verse interpretation of all the symbolism imagery or hidden meanings A predictive conclusion on how the last days will transpire What this Bible study IS A vision by vision study of the Book of Revelation A simple timeline of the visions in Revelation to aid understanding A continuous focus on the most important message of Revelation Jesus the Victorious Lamb of God The great and final day of Jesus return will be a day of immense joy and one that all believers can anticipate with trust and hope and assurance That is why we can t ignore Revelation or avoid it or doubt its importance for us today God s purpose His plan His love and faithfulness are proven again and again down through the centuries demonstrated in every book of the Old and New Testaments and brought to a beautiful conclusion in Revelation

God The language of the inspired writers expresses in the most vivid manner the awful and terrific scenes of that day in which God arises from His place to punish the inhabitants of the earth God always warns before sending His judgments As He warned Sodom and Gomorrah before sending fire and brimstone and the antediluvian world through Noah before the flood even so today He is sending a message of warning In Revelation Chapter 14 we find the three angels messages which are being heralded around the world      **A Bible Handbook to Revelation** Mal Couch, Foreword by John F Walvoord
